Proceedings of the Madras Government, Financial Department,
26th April 1875.

Local Funds.

No. 256. Read the following Proceedings of the Board of Revenue, dated 16th April 1875, No. 947 :—

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 12th March 1875, No. 334 :—

In reference to paragraph 36 of Board's Proceedings, No. 3,475, dated 1st December last, I have the honor to report, for the information of the Board of Revenue and Government, that the existing large balance under the General Fund of the Salem Circle has been due to the limited educational operations during the past two or three years. In budgeting for the ensuing year, the above balance was especially reserved to be applied to the construction of school-houses wherever required, and dispensaries for Trichengode and Utengherry Taluqs, as well as miscellaneous structures of public utility. The balance will be absorbed in a year or two, as the expenditure now exceeds the receipts. I do not, therefore, consider it necessary to invest the money as suggested in Proceedings, No. 194, dated 1st February 1875 (review of the Salem budget).

Submitted to Government with reference to G.O., Financial Department, dated 1st February 1875, No. 194.

2. The Board observe that the President's statement that the expenditure now exceeds the receipts is barely correct. The opening balance according to the budget of 1875-76 is Rupees 39,310, and the closing balance, including reserve, Rupees 38,010.

3. The Local Board, however, have under consideration projects for utilizing a portion of the amount, and the Board think that investment need not be made at present. The proposals of the Local Fund Board should be expedited.
