No. 275. Read the following letter from W. S. FOSTER, Esq., President of the Municipal Commissions, Godavery District, to the Honorable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Amalapur, 12th April 1875, No. 11 :—

With reference to the Proceedings of the Government, Financial Department, No. 333, dated 15th February 1874, I have the honor to forward, for the consideration of Government, a resolution of the Municipal Commissioners of Rajahmundry, in which they express a wish that Government will sanction the imposition of the profession-tax on Class VI. If the profession-tax is to be imposed, I cannot see why this class should be exempted. It is different in the case of the classes below this, for they give but a very small return, so that the tax can be given up in these cases without any inconvenience being felt; but Class VI. brings in a considerable amount, which we cannot dispense with without inconvenience.

2. With regard to the tolls, I concur with the Commissioners in their opinion.

3. Rajahmundry really has very little through traffic: almost all that is brought there is brought for sale in the town.

No. 276. ORDER THEREON, 27th April 1875, No. 946.

Under the circumstances reported, the Government sanction the extension of the profession-tax to the 6th Class in Schedule B.

2. The Commissioners' views regarding tolls will be considered together with the other replies to G.O., dated 11th January 1875, No. 40.

III. Read Government Order 11th January 1875 No 40 on the levy of Tolls on through traffic.

The Commissioners (by a majority of 5 the Vice President dissenting) consider that the proceeds of Tolls should be credited to Municipal Funds, and disapprove of the proposal that they should be handed over to the Local Fund Board.
