Municipal—Medical.

No. 277. Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Honorable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 21st April 1875, No. 208:—

I have the honor to subjoin copy of a communication, which I have this day addressed to the President of the Municipal Commission of Madras.

——

From Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to J. C. LOCH, Esq., President of the Municipal Commission, Madras, dated Fort St. George, 21st April 1875, No. 3398.

On the 11th September last, in my letter No. 5920, I enclosed the 1875-76 Budget Estimate for the hospitals as per margin, and asked the favor of the Commissioners' consideration and early disposal of same.

2. Since that date, I have three times, in the letters as per margin, brought the above subject to your notice; but, up to the present, there has not been received any sanction from you of the current year's Budget, though the first month of the year is drawing to a close and the bills for the expenditure will shortly be passed by me.

3. I observe by the Public Press that the question of the Municipal Budget has not yet been disposed of, and the medical item cannot, therefore, be discussed; but I think it will suffice for the Accountant-General to pass the bills, if you will intimate to that officer that money will be forthcoming to meet the usual Budget demands.
