Proceedings of the Madras Government, Financial Department,
5th May 1875.

Trichinopoly Municipality.

No. 37. Read the following letter from J. B. PENNINGTON, Esq., President of the Municipal Commission, Trichinopoly, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Trichinopoly, 15th April 1875, No. 117 :—

In acknowledging the receipt of G.O., No. 678, dated the 31st March 1875, I have the honor to point out that it would be of great interest to the Trichinopoly Municipal Commissioners to know the exact rate per running yard at which the pipes were laid *including the cost of the pipes and all other charges.*

2. The Commissioners have at present under consideration a somewhat similar scheme for improving the water-supply of this town, and it is of great importance they should make no mistake that can be avoided.

No. 38. ORDER THEREON, 5th May 1875, No. 993.

The President should place himself in communication with the President of the Bhewndy Municipality, who will doubtless readily supply any detailed information desired.

2. The Government observe, however, that, from the papers embodied with G.O., dated 31st March 1875, No. 678, it would appear that the cost per running yard was about Rupees 5-4-6.

(True Extract.)

D. F. CARMICHAEL,
Officiating Chief Secretary.

Memo

The draft order was proposed as it seemed:-

(1) that the cost of carriage, labour &c ~~would~~ varies so much from local circumstances, that the information in the form desired would be of very little general value

(2) It may be gathered from the items marked; 2 2 3 that the actual cost per running yard of pipes including carriage & laying was Rs 5-4-6.

As however there is a danger of error in

drawing inferences as to matters of detail from figures in a short abstract. I thought it might be as well to clear the Board & to ask the question of the Bhowany people himself, and not ask the Govt to commit themselves by calculation.

H.
23/4

It was might be safe to say that in addition to the draft of the Sol observ however that from the papers embodied with Ld. G/31st March ult Enc 678 that the cost per running yard was about Rs 5-4-6 H.

Despatch

Order 5-Govt 75-Lo 993

The President should place himself in communication with the Members of the Bhowany Municipality who will doubtless readily supply any detailed information desired.

2. The Govt observe however that from the papers embodied with G.O. d/31st March 1875 No 678 it would appear that the cost per running yard was about Rs 5-4-6.
