Proceedings of the Madras Government, Financial Department,
4th January 1876.

Banks—Bye-laws.

No. 1. Read the following letter from R. B. CHAPMAN, Esq., Secretary to the Government of India, Financial Department, to the Secretary and Treasurer, Bank of Madras, dated Fort William, 20th December 1875, No. 3162:—

I am directed by the Governor-General in Council to request that you will invite the attention of the Directors of the Bank of Madras to Chapter XIII. of the Bill for constituting and regulating the Banks of Bengal, Madras, and Bombay.

2. It seems proper that the bye-laws should be made under the proposed Act as soon as possible after the Bill becomes law.

3. I am to suggest therefore that if your Directors have no objection they should give the Governor-General in Council an opportunity of considering beforehand the bye-laws which they contemplate making. It would thus be possible to settle the bye-laws in anticipation of the Bill becoming law, and the approval thereof by the Governor-General in Council might be signified immediately upon that event occurring.

Copy forwarded to the Government of Madras.
