Read the following papers:—

No. 25. From J. C. LOCH, Esq., President of the Municipal Commission, Madras, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort Saint George, dated Madras, 5th November 1874, Nos. 347—2175.

I have the honor to request the favor of your moving Government to issue the necessary instructions for taking possession, under Act X of 1870, of the piece of land delineated and colored yellow in the accompanying plan, and vesting the same in the Municipal Commissioners on payment of such compensation as may be awarded.

2. The land is required for a Municipal Slaughter-house, and the application is made for reasons given in the accompanying statement.

STATEMENT showing the hindrances to purchasing the undermentioned land for a Municipal Slaughter-house.

Name of Locality.—Vasurpaudy. *Number of Plan.*—1. *Extent of Ground.*—Grounds 63, Square feet 1,372. *Rate for Ground.*—Blank. *Amount settled.*—Blank. *Remarks.*—The owner is not disposed to sell the land at the price he purchased it for from the Collector of Madras at public auction.

Referred to the Collector of Madras for inquiry and report whether it is necessary to take the land under the Act.

No. 25-A. Proceedings of Government, in the Financial Department.

Read letter from the Acting Collector of Madras, dated 23rd August 1875, No. 262.

No. 1786.

From the papers and plan now submitted by the Collector it appears that the land which the President of the Madras Municipal Commission desired to acquire under the Act belonged to Mr. Stephenson, presumedly the Assistant Engineer of the Municipality, he having purchased it at auction.

2. No mention was made of this at the time, nor in the subsequent papers, but the information appears to have been now placed before Government quite accidentally.

3. The plan further shows that the land on the opposite side of "Gantz' Road" was purchased by Mr. Ross, presumedly the Sanitary Inspector in the employ of the Municipality.

4. If these presumptions are correct, the Government desire to draw the special attention of the Officiating President to the circumstance, in view to his ascertaining and reporting, for their information, the extent of property acquired by the several employés of the Municipality since their connexion therewith, and whether any, and if any, what regulations are imposed upon them in this respect.
