Accounts—Contingent.

No. 98. Read the following letter from T. WEIR, Esq., Acting Registrar of the High Court of Judicature at Madras, Appellate Side, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 5th January 1876, No. 12 :—

With reference to the circular of the Comptroller-General on the subject of contingent expenditure (note, paragraph 2), dated 19th May 1874, No. 175, embodied in the Proceedings of the Madras Government dated 27th November 1874, I am to request that, if they see no objection to such a course, Government will be pleased to delegate to the Registrar for the time being of the High Court, Appellate Side, a general power of making transfers from an ascertained surplus in the contingent grant of one district to that of another under the same major head. The possession of such a general power will obviate the necessity of frequent references to Government in matters of comparatively trifling importance.

No. 99. ORDER THEREON, 14th January 1876, No. 71.

The Governor in Council resolves to delegate to the Registrar of the High Court, Appellate Side, the power of making transfers from the ascertained surplus of the contingent grant of one District Court to that of another, intimation of such transfers being duly communicated to the Accountant-General for his information.
