No. 151. Read the following letter from H. G. TURNER, Esq., C.S., Acting Postmaster-General, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort Saint George, dated Madras, 5th January 1876, No. 10285—169-A:—

In conformity with G.O., No. 3104, dated 2nd November 1875, I have the honor to state that I went to Madura and made arrangements with the Collector and Superintendent of Police as to the accommodation required for the Post office, but from the enclosed copy of letter since received from the Collector, it appears that the Telegraph Department has not come to a settlement as to its requirements. As the want of special accommodation for the Post-office at that station is severely felt, so much so that it has been decided to rent a house on a high rent to prevent inconvenience, I take leave to suggest that the Telegraph Department be moved to early action in the matter.

Copy of a communication from the Acting Collector of Madura, to the Postmaster-General, Madras, dated 20th December 1875, No. 2848.

In reply to your letter, No. 9495—694, dated 9th December 1875, I have the honor to inform you that I have received no communication from the Telegraph Department on the subject of the adaptation of my Cutcherry to the several departments instanced in G.O., dated 2nd November 1875, No. 3104.

No. 152. ORDER THEREON, 17th January 1876, No. 98.

The necessary orders will be issued in the Department of Public Works.
