No. 170. MEMORANDUM.

To enable the undersigned to complete the Public Works Budget for 1876-77, he has the honor to request that the Chief Secretary to Government will be so good as to inform him of the amount of the grant for Provincial Works for next official year.

FORT ST. GEORGE, (Signed) G. W. WALKER, Major-General, R.E.,
7th January 1876. *Secretary to Government, P.W.D.*

To the Chief Secretary to Government.

No. 171. ORDER THEREON, 20th January 1876, No. 112.

To enable the Financial Department to determine the probable receipts and probable charges for the forthcoming financial year, it is necessary that the Regular Estimate for the current year should be furnished. This has not yet been done by the Public Works Department. In the absence of the estimate, and also from the non-receipt of estimates from the Board of Revenue and Inspector-General of Jails relating to Provincial Services, the general Budget for those services cannot be completed.

2. A rough estimate of the probable receipts and charges under Provincial has, however, been prepared. On the receipt side, Rupees 83,000 have been taken (as in the current year) as the probable Public Works receipts in 1876-77. But it is doubtful from the accounts rendered by the Accountant-General whether a larger sum than Rupees 52,000 will be realized in the current year. Should this turn out to be correct, there will be a decrease in the estimated receipts for 1875-76 of Rupees 31,000 and a corresponding decrease in 1876-77, causing an aggregate decrease in the Provincial income of Rupees 62,000.

3. Allowing for this the amount available for allotment for Public Works Roads, Civil Buildings, &c., is Rupees 8,50,000. The estimate for that department will be prepared accordingly.
