21st January 1876.

Medical.

No. 193. Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Honorable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 18th January 1876, No. 21:—

I have the honor to report to His Grace the Governor in Council that, owing to the numerous demands during the current year, the sum of Rupees 4,486 allotted for the carriage of Medicines to Civil Hospitals has proved insufficient. The annexed Memorandum shows that up to the 11th January 1876 the expenditure under this head had amounted to Rupees 4,395-12-10, and it will be observed that of this total, a sum of Rupees 2,747-15-10 is debited to Local Fund and Municipal Dispensaries and is therefore recoverable.

2. In the meantime the annual supplies of medicines for 1876-77 have to be sent out, and I have to solicit that His Grace in Council may be pleased to sanction the disbursement by the Accountant-General of a sum of Rupees 1,500 to meet the carriage charges during the remaining part of the current year.
