No. 212. Read the following Proceedings of the Board of Revenue, dated 14th January 1876, No. 358 (Miscellaneous) :—

Read the following letter from F. WILKINSON, Esq., Acting Vice-President of the Local Fund Board, Oossoor Circle, to C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, dated 30th November 1875, No. 390 :—

I have the honor to forward herewith a resolution of the Circle Board dated 19th instant.

2. In the current year's budget a sum of Rupees 600 was allotted for constructing a tunnel in the fifth mile of the road from Thally to Denkencottah (II. *a*, No. 3). Subsequently the Local Fund Overseer, to whom the work was entrusted for execution, reported that the sum was inadequate, and another Rupees 600 was allotted in Proceedings of this Circle Board, dated 16th July 1875, and sanctioned by the Board of Revenue in their Proceedings, dated 14th August, No. 7,383.

3. The work has now been completed, and from modifications in construction, flat covering stones having been substituted for an arch, there is a saving of Rupees 470.

4. The Board have now sanctioned the construction of two culverts in the seventh mile of the road from Denkencottah to Royacottah at a cost of Rupees 150 each, the cost to be met from the above savings.

5. The two culverts are urgently required, as great obstruction is caused to the bandy-traffic to the weekly fair at Kilamungalum.

6. The matter is reported for the information of the Controller of Public Works Accounts.

ENCLOSURE No. 1.—Extract from Proceedings of Local Fund Board.

No. 1,464.

Forwarded to the Board of Revenue for orders.

2. As the transfer is from a major work of Rupees 1,200 to a minor work, the sanction of the Revenue Board appears to be necessary.
