Local Funds—Budget.

No. 217. Read the following Proceedings of the Board of Revenue, dated 17th January 1876, No. 123 :—

Read the following **Proceedings of the Madras Government**, dated 14th January 1876, No. 82, Financial Department :—

ABSTRACT.—Requesting to undertake the preparation of the General Local Fund Budget for 1876-77 for submission in time to Government of India together with the Provincial Budget, and directing to forward to Public Works Department Circle Budgets to enable them to incorporate in their Budget the Public Works portion, postponing their printing till after their return from that department.

THE Board observe that it is a matter of great importance to the working of the Local Funds for the year that the Budget Estimates should be printed and in the hands of all officers concerned before the year opens; and, unless the printing is at once undertaken, this important object cannot be secured.

2. The Board, therefore, propose, instead of sending the budgets in original to the Public Works Department on their receipt from Government, whereby the printing would probably be delayed for an indefinite time, to make manuscript copies of Statement II.-A, Parts I. and II., Statement II. B., and of the entries under Grant I. in Statement I. B., to the Secretary to Government, Public Works Department, for incorporation of the items in the Public Works Budget.

3. The Board will compile the general budget as directed, and furnish it to Government immediately on the receipt of the last of the detailed budgets. As yet only four have been reviewed by Government in the Financial Department.
