Proceedings of the Madras Government, Financial Department,
25th January 1876.

Local Funds—Vaccination.

No. 232. Read the following Proceedings of the Board of Revenue, dated 17th January 1876, No. 113:—

Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Chittoor, 25th November 1875, No. 638:—

I HAVE the honor to forward herewith copy of a letter from the Vice-President of the Local Fund Board, Vellore Circle, No. 308, dated 15th instant, requesting me to obtain the sanction of Government to the entertainment of two additional Vaccinators for that Circle, and to request that, under the explanation given below, the Board of Revenue will be pleased to recommend this proposal for the favorable consideration of Government.

2. At present there are six Vaccinators at work in the Vellore Circle, exclusive of the one employed by the Jaghiredar of Arni, and they are distributed thus—two for the Vellore, one for each of the three taluqs of Arcot, Polur, and Wandewash, and the remaining Vaccinator attached to the Arni Division works in portions of Polur and Wandewash Taluqs. The Arcot and Wandewash Taluqs comprise very large areas and contain 356 and 424 villages respectively, exclusive of their many hamlets, and one Vaccinator is therefore quite inadequate to meet the demands of each; the people too are now beginning to open their eyes to the beneficial results attending the vaccine operations; the paucity of hands has very often given rise to petitions to the Superintendent and the Tahsildar from various quarters, soliciting them protection by vaccination.

3. If the request of the Vice-President, which in my opinion is just and reasonable, meets with the favorable orders of Government each taluq will be provided with two Vaccinators, and when small-pox suddenly breaks out in any locality one of the two Vaccinators can be easily deputed there without detriment to the ordinary taluq's work, and without resorting to the employment of untrained temporary Vaccinators.

ENCLOSURE No. 1.

From W. P. AUSTIN, Esq., Vice-President of the Local Fund Board, Vellore Circle, to W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, dated Vellore, 15th November 1875, No. 308.

I HAVE the honor to call your attention to Resolution 8 of the Proceedings of the Local Fund Board, dated 12th instant, passed on a letter from the Superintendent of Vaccination, No. 199, dated 30th ultimo, copy enclosed. In this letter the Superintendent requests that two additional Vaccinators may be sanctioned for Arcot and Wandewash Taluqs so as to leave two Vaccinators available for each taluq of the Circle. There are now six Vaccinators, exclusive of the one employed by the Jaghiredar of Arni. Under the circumstances stated in the letter the Board consider the arrangement proposed very necessary. I therefore request you will be good enough to obtain the sanction of Government to this proposal at an early date.
