Proceedings of the Madras Government, Financial Department,
28th January 1876.

Local Funds—Budget.

No. 287. Read the following Proceedings of the Board of Revenue, dated 4th December 1875, No. 10834 (Miscellaneous):—

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Salem, 25th November 1875, No. 1410:—

In reference to paragraph 27 of the Board's Proceedings, No. 3063, dated 8th instant, I have the honor to forward a copy of a letter from the Surgeon-General, Indian Medical Department, from which it would appear that arrangements are being made to send an officer of the Hospital Assistant grade to the Namcul Dispensary, which will therefore be in charge of a Passed Hospital Assistant during the next official year.

2. The information referred to in the concluding part of paragraph 8 has already been submitted with the necessary draft notification—*vide* my letter, No. 1371, dated 15th instant.

3. In regard to the recommendation to transfer Rupees 2,810 from the General to the Road Fund (paragraph 14), I would suggest that the Government be requested to contribute that sum from the Provincial Revenue, as no part of the General Fund can be spared for other purposes.

Submitted to Government in continuation of the Proceedings quoted.

2. With reference to paragraph 1, the provision for a first-class Hospital Assistant on Rupees 60 with allowances for the Namcul Dispensary should be Rupees 720, not Rupees 1,740 as entered by the Board.

3. With reference to paragraph 3, the Board observe that they did not carry the suggestion to make a transfer from the General Fund into effect, but made up the Road Fund deficit by reducing the Road Fund Reserve.

Sir,

I have the honor to report the death of Mr. Dreaste, 2nd Class Assistant Apothecary in charge of the Local Fund Dispensary at Namakal, and to request that you will be good enough to appoint a medical officer to fill up the vacancy. The Dispensary duties at Namakal are now as a temporary measure

conducted by Kathurapra-
=sad, No. 920, 3rd Class Hos-
=pital Assistant attached
to the Office of the Deputy
Collector of the Vanikal
Division. I would recom-
=mend that Dr. Veloyudam
who was in charge of the
Dispensary in question for
3 years, and who was very
popular with all classes
in the Taluq, be again
transferred to the charge
of the Dispensary. He
is now at Dindigal. But
the people of Vanikal
had great confidence in

his treatment, and would
gladly see him back.
