Sir,

With reference to your letter of the 10th Instant, call-ing for a detailed Estimate of the probable Charges for all the Transport arrangements in the Coimbatore District and the further Charges on account of Horses and Carriages being afterwards sent on to Trichinopoly and Madura. We beg to inform you that it is impossible for us to make any detailed Estimate, We have, as you are, We dare say aware, purchased, for these transport ar-rangements, some 25 pair of Horses & 15 Ponies. The Horses, owing to the scarcity of decent Horses in the Market, have Cost us far more than we usually pay and of these, 5 have died and 5 more rendered useless from defects and vice. and how many more may be lost thro' accidents or disease in moving them thro' the District, we can form no idea.

The Ponies have cost us from 200 to 250 Rupees each and their Keep, as well as that of the Horses, has been, and will be very heavy. One Pony for which we paid Rs 400/ in Madras, and sent up to the Hills is reported useless for Hill work, and has to be sent back. We were obliged to purchase a long time in advance, or We might not have been able to complete our arrangements.

We

In Estate No 214/76.

We have had to purchase, & to put in order, Several Carriages, to make up 20 sets of Harness & buy good Saddlery, to supply Coachmen and Horsekeepers with respectable Clothing, in fact, our expenses have been & will be very heavy, and we much doubt if the Cost per Horse per day for the short time the Job will last, at even Rs 40 a day will cover our expenses, of course if we could ensure no mortality amongst the animals, nor breakage of Harness or Carriages, and a ready sale for all when the Job is over - an estimate would be feasible, but as matters stand now, we find it quite impossible to draw one out. We may as well mention that we were offered Rs 1500 for the hire of a Carriage & Pair for a month in Madras itself, & we had to refuse the Job having no Horses available.

If our Horses, Carriages &c are required at Trichinopoly and Madura, we have no objection whatever to their being used, of course, provided they be in a fit condition for this work.

Taking all things into consideration, and bearing the losses attendant on mortality, breakage &c, our charge will be Rs 40 p. day per Horse, and Pony Rs 10 per day, per Carriage, from the day such have our Stables, to the day they are returned - Exclusive of Railway Charges out

Assuring you of our best endeavours to carry out this work to your entire satisfaction.

We remain,

Sir,

Your Obedient Servants.
