No. 60. Read the following Proceedings of the Board of Revenue, dated 19th January 1876:—

Read the following letter from Surgeon-Major G. BIDIE, M.B., Secretary to the Surgeon-General, Indian Medical Department, Fort St. George, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Fort St. George, 15th January 1876, No. 318:—

I have the honor, by desire of the Surgeon-General, to submit to your Board the following review of Grant III. in the Budget Estimate for 1876-77 of the Oossoor Local Fund Board.

2. It is observed that the local authorities propose to substitute at Darampoory a 1st-class Hospital Assistant for the Hospital Apprentice now in charge, as "the present Medical Officer is not popular with the people of Darampoory," and accordingly only the pay of a subordinate of the former class is provided for in the estimate. In reference to this I am to mention that it may not be possible to spare a 1st-class Hospital Assistant for this dispensary, and that if the present incumbent is deficient in tact he might be replaced by a more suitable officer of the same grade. This will, however, be impossible unless the necessary provision be made for his pay in the Budget. The other items in the estimate of the Darampoory Hospital call for no remark.

3. The provision made for the Kistnageri Dispensary seems sufficient.

Submitted to Government in continuation of Board's Proceedings, dated 29th October 1875, No. 3007.
