Read the following:—

No. 67. From R. B. ELWIN, Esq., Agent and Manager, Madras Railway Company, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 24th January 1876, No. 75.

Adverting to what passed at the meeting of the Committee held in my office on the 19th instant, I have the honor to enclose you a copy of the Acting Consulting Physician's letter, No. 396, of the 6th of December last, in which he recommends that some allowance should be made to the Railway Apothecaries at Arconum and Jollarapett in consideration of the medical aid they render to the Postal and other Government servants at those stations.

2. The Committee considered that an allowance of Rupees 15 per mensem might fairly be made to each of the Apothecaries mentioned, similar payments having already been sanctioned for the Railway Apothecaries at Beypore and Raichore, and I trust that the Government will be pleased to sanction the arrangement.

From Dr. W. ELDER, L.R.S., L.R.C.P.E., Acting Consulting Physician, Madras Railway Company, to R. B. ELWIN, Esq., Agent and Manager, Madras Railway Company, dated Royapooram, 6th December 1875, No. 396.

I beg to forward two letters, with a list, from Apothecaries Lennon and McCoy, enumerating the Government servants, at Arconum and Jollarapett, attended to by them, of the Postal Department, &c. They apply for some remuneration for the aid they render.

2. Government have granted Rupees 15 per mensem to the Apothecaries at Beypore and Raichore for the Postal Department and other Government servants.

3. I have, therefore, no hesitation in submitting their request for your kind consideration and recommendation that Government may be pleased to direct the disbursement of an equitable remuneration to the Apothecaries of Arconum and Jollarapett for their trouble.

From Mr. W. McCOY, Apothecary, Madras Railway Company, to Dr. W. ELDER, L.R.S., L.R.C.P.E., Acting Consulting Physician Madras Railway Company, dated Arconum, 25th November 1875, No. 31.

I beg to inform you that I have been very often troubled by the men of the Postal Department at Arconum for medicines and attendance, but, as I have had no instructions regarding them, I have as often refused to attend on them or grant them certificates. I might also mention that some time ago I was threatened to be reported by a native who called himself a travelling clerk because I refused to report him unfit for duty. I beg to forward the names of the men, with their families, belonging to the Postal Department at Arconum, and to seek your advice on the subject.
