No. 80. Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 27th January 1876, No. 644 :—

Budget Department.

With reference to paragraph 16 of G.O., No. 122, dated 20th instant, Financial Department, I have the honor to observe that as Government have in their Order, No. 2514, dated 27th December 1875, Financial Department, restricted the expenditure on account of Items 1, 2, 3, 10 and 11, and 17 and 18 of this office statement to Rupees 25,000 and 14,760, there remain only the Items 4 to 9 of the order of December last to be budgeted for. Of these, No. 5, Maintenance, &c., of paupers (Mussulman paupers included) need not be separately provided for as it belongs to the minor head "Donations for charitable purposes" for which a lump sum is always allotted by Government. I may, however, state that Rupees 3,664 would suffice for the charge in question for 1876-77 as for 1875-76.

2. As to the items noted on the margin similar sums to those proposed by this office for the current year may be provided for the ensuing year. And as regards "Fire, Flood, Famine, and Epidemic charges" and "Improvements of Agriculture and Trade" the average of the past three years' expenditure exclusive of exceptional payments is 972 and 200 Rupees respectively.

	Rs.
Burial of Paupers	1,035
Distribution of Cattle disease medicines.	23
Rain Gauges	14

3. Thus, if no extraordinary disbursements in connection with "Improvements to Agriculture and Trade" are contemplated, Rupees 2,244 would suffice for 1876-77 for the Items 4, 6, 7, 8 and 9. This amount the Board of Revenue should, as in the case of other charges under their control, distribute among the several districts according to their requirements.
