No. 106. Proceedings of the Board of Revenue, dated 1st February 1876, No. 966 (Miscellaneous):—

Read the following letter from H. W. BLISS, Esq., Acting President of the Local Fund Boards, Madura District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Dindigul, 15th January 1876, No. 3.

The Local Fund Boards of the Madura and Dindigul Circles now procure the English publications marginally noted through Messrs. Higginbotham and Co. for circulation among the Medical Officers in charge of the dispensaries under their control. But under G.O., dated 30th October 1875, No. 2119, Financial Department, communicated with the Board's Proceedings, No. 10,719, dated 1st December 1875, these publications must, in future, be procured through the Secretary of State. I, therefore, request that Government may be applied to to arrange for their supply from and after the 1st July next, from which date I have informed Messrs. Higginbotham and Co. that they will no longer be required from them. I cannot well stop the local supply before then, as it has already been paid for up to that date.

One copy of *The Lancet* (weekly).
One copy of *Braithwaite's Retrospect of Medicine and Surgery* (bi-annually).

2. The copies of the above, intended for the Dindigul Circle, Local Fund Board, should be addressed in England to the Vice-President, Local Fund Board, Dindigul Circle, Dindigul, Madras Presidency.

Submitted to Government with request that requisition be made accordingly on the Secretary of State for India.

G.O., No. 149, of 3rd February 1876, referred for my remarks the re-enclosed Proceedings of the Revenue Board, No. 966, of 1st idem.

2. I have the honor to mention that the books asked for by the Madura Local Fund Board can, if permitted, be indented for in the indents from the

Principal Depôt of Medical Stores, but the more rapid delivery and the least expensive would be obtained by Her Majesty's Secretary of State ordering their publishers to despatch the required copies direct on the date of publication.
