Read the following papers:—

No. 145. Proceedings of the Board of Revenue, dated 15th January 1876,
No. 106.

Read the following letter from G. D. LEMAN, Esq., President of the Local Fund
Boards, Kistna District, to H. E. STOKES, Esq., Acting Secretary to the
Board of Revenue, dated Masulipatam, 26th October 1875, No. 217:—

I HAVE the honor to submit, for sanction, an estimate* (Rupees 1,22,000) for
constructing a new second-class district
road (22½ miles, and 60 yards) from
Chilkaloorpett to Perala.

* Sent by banghy.

2. The Guntoor Local Fund Board have passed the estimate, and agreed that
the construction of the two bridges should be held in abeyance for the present.

3. Compensation is provided for in the estimate for taking over certain
Government and private land through which the line of the road passes.

4. The District Engineer represents that there will be a large amount of
traffic on this road, if constructed, from upland taluqs as it brings them into
direct communication with the sea coast and the port of Vadaravoo.

5. No funds are available in this year's budget for the execution of the
work.

6. In paragraph 10 of the Board's Proceedings recorded in G.O., dated 1st
February 1875, No. 191, the Board of Revenue recommended the retention of the
work in this year's budget by an appropriation from General Funds, but Govern-
ment, in paragraph 3 of their order above quoted, declined to sanction the proposed
appropriation and struck out the item.
