Municipal—Manual.

No. 150. Read the following letter from J. H. MASTER, Esq., President of the Municipal Commission, Bellary, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Bellary, 8th February 1876, No. 10 :—

I have the honor to forward, for the inspection of His Grace the Governor in Council, a Manual for the administration of the Bellary Municipality, prepared by Mr. H. T. Ross, Assistant Collector and Vice-President.

2. The preface will explain the object of its preparation. This compilation reflects great credit upon Mr. Ross who has given up his leisure hours to the work. The Manual will be of the greatest possible value to future Vice-Presidents. Such officers generally have to assume office without any experience in the working of Municipalities.

3. Mr. Ross has now, with a slight interval, been the Vice-President of the important Municipality of Bellary for (1) one year and (5) five months.

No. 151. ORDER THEREON, 17th February 1876, No. 338.

Mr. Ross' zealous and successful endeavour to facilitate the discharge of the important duties of which the supervision is entrusted to him is highly commendable and appreciated by Government. The Government would be glad if each district could be furnished with a copy of the Manual.

(True Extract.)

W. HUDLESTON,
Chief Secretary.
