It is observed that the regular estimate takes credit for the following amounts, on account of the restoration of the Palar Bridge, sanctioned in G.O., Financial Department, dated 30th June 1875, No. 1,382.

Rupees 46,875, being a part payment of the Government contribution towards the cost of the bridge.

,, 12,630, the contribution by the Vellore Municipality towards the cost of the bridge.
,, 69,505 Total.

3. EXPENDITURE.—The estimate of expenditure on New Works and Repairs has been carefully prepared, and it may be accepted. The President should furnish without delay the special report called for in Board's Proceedings, dated 20th July 1875, Miscellaneous No. 6,548, on the arrangements for meeting the expenditure of the current year on the Palar Bridge. According to the regular estimate the Chittoor Circle is to advance funds on account of the other contributions; Rupees 80,000 for the bridge works and Rupees 20,000 for establishment charge being provided in the estimate, besides Rupees 9,910 debited in 1874-75, against contributions, including the circle share proper of Rupees 94,755. The Budget provision, Rupees 1,620, is entered on account of Tools and Plant, but it is raised to Rupees 2,420, being one per cent. of the proposed expenditure on works shown in the regular estimate. The other items do not call for remark. The total proposed expenditure amounts to Rupees 3,57,060, leaving a balance of Rupees 59,290 as per margin. These balances will be taken to the Budget of 1876-77.

4. Budget of 1876-77—Statement I.-A.—The Provincial grant includes Rupees 34,890, as settled in Board's Proceedings, dated 16th September 1875, No. 2,590, and Rupees 16,250, the balance of the Government contribution of Rupees 63,125 for the restoration of the Palar Bridge. The land-cess is put down at Rupees 1,71,000 calculated with reference to the expected collections during the current year. The contribution of Rupees 1,330 from Wallajapet Municipality for through traffic must be shown under 5, "Contribution from other Circles, &c." Credit is also taken for Rupees 15,250, the balance of the contribution by the Vellore Local Fund Board for the Palar Bridge.

5. The contribution from the Bungari Poligar for the Local Fund School at Venkatagiri is raised from Rupees 180 to Rupees 200, and a contribution of Rupees 220 from the Punganur Zemindar is entered for the Local Fund School at Punganur.

7. Statement I.-B., Expenditure—Grant I., Public Works—Statement II., Road Fund, Receipts and Expenditure.—The allotment for New Works is raised by Rupees 11,090, and that for Repairs is reduced by a corresponding amount as is noticed further on. The cost of Petty Establishments, Rupees 4,420, should be shown separately as in the current year's budget. The share of the cost of General Management chargeable to the Road Fund should be Rupees 1,390. The allotment for Tools and Plant, at one per cent. on the proposed expenditure, should be Rupees 1,420, but the President states that only Rupees 1,300 is asked for by the District Engineer. The Road Fund Reserve should be Rupees 18,920, but only Rupees 18,420 are available. The Road Fund expenditure amounts to Rupees 1,98,580, leaving no balance.

8. Statement II.-A., Part I., New Works.—Part I. contains nineteen items with an aggregate allotment of Rupees 73,720. The items noted in the margin are unsanctioned, and estimates for them are promised. It is observed that an estimate, amounting to Rupees 20,140, for the fourth item was submitted to, and returned by, Government for revision or explanation with reference to the note by the Chief Engineer. In a subsequent Order* the Government authorized the collection of materials for the work, and called for the submission of either the revised estimate or explanation. The President ought to have mentioned these facts in his letter. He is now requested to comply with the requisitions of Government at once.

G.O., Financial Department, dated 7th November 1874, No. 1,915.

* Dated 13th February 1875, No. 317.

9. The twenty-third or last item in the appendix to Part I. is for restoring the old chuttrum at Palmanair with an assignment of Rupees 700. The provision is disallowed, as the chuttrum does not appear to have been transferred to the Local Fund Board by Government. The President will address the Board separately on the subject.

Proceedings of the Madras Government, Financial Department,
11*th January* 1876.

10. Part II., Repairs.—The total proposed allotment for road repairs is Rupees 98,050 against Rupees 86,870 in the current year's budget, the difference being Rupees 11,180. Of this sum, Rupees 11,090 is for the restoration of the Palar Bridge at Vellore, which should be shown in Part I. of the Budget.

11. The Statement II.-B submitted by the President is incorrect, the amount assigned for Roads being given as Rupees 1,49,880, whereas the allotments in Statement II. amount to Rupees 1,42,080 only. A revised statement should be furnished without delay, as the information contained in the statement is required by Government for the preparation of the Public Works Department Budget.

12. Grant I. is—

	Rs.
Road Fund	1,96,990
Endowment Fund	3,780
General Fund	33,560

Grant II., Education.—The allotment for Educational Inspection includes a sum of Rupees 180, being the salary of an additional clerk proposed for the Deputy Inspector of Schools to cope with the increasing work of his office in connection with the Results Grant and the Local Fund Schools. The Board cannot support this application. Such clerks have nowhere been allowed, and the Board see no reason to make an exception in the case of this Circle, which does not rank high in the scale as regards educational operations. The allotment for Inspection is reduced to Rupees 3,000.

14. As in the current year's Budget, provision is made for fifty-eight Local Fund Schools. Only twelve of them are opened under the sanction conveyed in G.O., Financial Department, dated 26th May 1875, No. 1,139. The Circle Board's proposals regarding the remaining forty-six schools have been laid before Government in Board's Proceedings, dated 18th May 1875, No. 1,353. The provision for servants in the Local Fund Schools is slightly increased as explained in the President's letter. Grant II. is Rupees 27,970 chargeable to the General Fund.
