GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

3rd February 1881, No. 205.

Cattle Pound and Convict Labor Funds.

Read the following papers:—

No. 3. From Major D. H. TRAIL, R.E., Officiating Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated 6th November 1880, No. 134 W.

I have the honor to bring to the notice of Government that the Accountant-General, Madras, desires that the outlay on the works undertaken from the Pound and Government Farm Funds should be accounted for to his office under "Provincial." This office objected to the arrangement, since appropriations for the works were not sanctioned from Provincial Funds, and to remove this objection he wishes that the grants for the budget for the ensuing year may be applied for under "Provincial."

2. In respect to the outlay of the current year the Accountant-General, Madras, states that if this office desires that the grants should be placed at the disposal of the Public Works Department as an addition to the Provincial grant, application for the transfer should be made to Government. I may add that there appears to be no alternative but to adopt this course, if compliance with the Accountant-General's (Madras) wishes is in accordance with the views of Government in the Financial Department.

3. The works noted in the margin are those in progress from the Pound and Government Farm Funds on account of which appropriations have not been made in the Public Works Department under Provincial.

2. Veterinary Hospital in connection with the School of Agriculture at Saidápet.

SIR,

I HAVE THE HONOR TO BRING TO THE NOTICE OF GOVERNMENT THAT THE ACCOUNTANT GENERAL MADRAS, DESIRES THAT THE OUTLAY ON THE WORKS UNDERTAKEN FROM THE POUND AND GOVERNMENT FARM FUNDS SHOULD BE ACCOUNTED FOR TO HIS OFFICE UNDER "PROVINCIAL." THIS OFFICE OBJECTED TO THE ARRANGEMENT SINCE APPROPRIATIONS FOR THE WORKS WERE NOT SANCTIONED FROM PROVINCIAL FUNDS, AND TO REMOVE THIS OBJECTION HE WISHES THAT THE GRANTS FOR THE BUDGET FOR THE ENSUING YEAR MAY BE APPLIED FOR UNDER "PROVINCIAL."

2. IN RESPECT TO THE OUTLAY OF THE CURRENT YEAR THE ACCOUNTANT GENERAL MADRAS STATES THAT IF THIS OFFICE DESIRES THAT THE GRANTS SHOULD BE PLACED AT THE DISPOSAL OF THE P.W. DEPARTMENT AS AN ADDITION TO THE PROVINCIAL GRANT, APPLICATION FOR THE TRANSFER SHOULD BE MADE TO GOVERNMENT. I MAY ADD THAT THERE APPEARS TO BE NO ALTERNATIVE BUT TO ADOPT THIS COURSE, IF COMPLIANCE WITH

Account. Genl's Office

20th January 1881.

The Accountant General,

Madras,

The Examiner,

Public Works Accounts,
Madras.

In reply to your letter No. 802, dated the 8th of January 1881 requesting me to transfer the expenditure incurred in the Public Works Department on account of the "Cattle Pound Fund" recorded in the books of this Office under "Provincial" to "Incorporated Local Funds" as shown by you, I have the honor to state that I cannot do so.

2. As you are already aware, the Cattle Pound Fund is one of those funds, which have been incorporated with the Government Accounts and taken under "Provincial". In G. O. Financial No. 2296 dated 20th December 1878, you will observe that the fund has been placed under Account II "Funds at the unfettered disposal of

of Government for Provincial uses; so that all receipt and expenditure on its Account, must of necessity be classified under that head. -

3. With reference to our conversation on Saturday last, I beg to inform you that I have requested Government to confirm the Board's Proceedings sanctioning the Expenditure in question, and to direct that the allotment made from Cattle Pound Fund in 1879-80 may be treated as an additional grant to Provincial Services. -

4. I trust that by this arrangement you will be able in communication with the Accountant-General, Public Works Department, to remove the transactions on account of the fund in question to "Provincial" in your accounts for 1879-80, and thus ensure the required reconciliations between the accounts of your Office and this one.

5. With regard to the Budget allotment for the current year, I shall ask Government to pass

a

25/50
a similar order, but I request that you will be good enough to shew the receipts & Charges of the fund distinctly in your Appendix for Provincial Services to submit a distinct Schedule for this Account as in the order quoted in para. 2. Government have, under para. 17 of the orders of the Government of India, Financial, No. 3667 dated 26. October 1878, directed the maintenance of a separate Account of the transactions of the fund.

6. The Government - Farm Fund and Pound Fund are simply other titles of the Cattle Pound Fund. -
