Read the following paper:—

No. 54. *Proceedings of the Board of Revenue, dated 29th December 1880, No. 14,306 (Miscellaneous).*

The Board submit an abstract of the estimated receipts and charges of Special Local Funds for 1881-82.

2. The opening balances of 1880-81 agree with the closing balances entered in the Accountant-General's Statement for 1879-80, with the exception of those under the "Canal and Ferry" and "Endowment" Funds. The difference under the former fund is due to the omission of the balance appertaining to South Canara, which appears to include the amount sanctioned in G.O., Revenue Department, dated 13th December 1879, No. 2285, to be transferred to Local Funds, and the balance appertaining to the Bhadrachalam Taluk, in which Act I of 1870 has not been applied to any of the ferries. The difference under the Endowment Fund is due to the deficit* in the

Godavari District having been left out, as there are no transactions in the District under the fund. The increase in the receipts and charges of the Village Service Fund is due to the introduction of Act IV of 1864, and the revision of Village Establishments in the Cuddapah District, and the re-introduction of the Act into the District in which its operation was temporarily suspended.
