From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Secretary to Government, Pension Department, dated Fort St. George, 17th October 1881, No. I.A.E.-344.

Pension Department.

With reference to the Proceedings of Government, No. 948, dated the 21st September 1881, I have the honor to state that, in my opinion, the Resolution of the Government of India in the Public Works Department, No. 1086-G, dated 18th August 1881, refers only to officers who retired from the Public Works Department under the Resolution in the Department of Finance and Commerce, No. 2070, dated 31st July 1879. The terms of the Resolution appear to me to be justly applicable also to any others who, after their services have been dispensed with by the Public Works Department, have, through their own efforts, obtained employment under a Local Fund Board prior to the date of issue of the present edition of the Pension Code; but the Resolution is not, I think, applicable to subordinates of the Public Works Department, who, in accordance with the practice formerly in force, were transferred from service under Government to service under the Local Funds.

2. Exemption from the letter of Section 177 of the Civil Pension Code was accorded to the officers who retired under the Resolution above quoted, presumably because the corresponding sections of the Pension Code, which was in force when the officers in question took service under Local Funds, *i.e.*, Sections 106 and 107, did not in express terms include re-employment under Local Funds as re-employment which involved the necessity for refund of pension and gratuity, and consequently, therefore, the officers who took such re-employment might justly plead that they had entered on Local Fund service in the belief that they were entering a service to which that section of the Pension Code did not apply. The argument, moreover, of Government that it was not competent to it to enforce a refund of the bonuses in question, was an unanswerable one, and to some extent, doubtless, influenced the Government of India in according the exemption in question to these officers.

3. At the same time the Government of India still retains the right to lay down the terms on which pensions shall be granted to, and shall be drawn by its officers, and it has provided in Section 177 of the fifth edition of the Civil Pension Code, issued on 6th April last, that an officer who has obtained compensation pension, if re-employed, may retain his pension in addition to his pay, provided that, if he is employed in a Government establishment or *in an establishment paid from a Local Fund*, or by a Guaranteed Railway Company, the sum total shall not exceed the pay of the appointment on abolition of which the pension was given.

4. It appears to me that the word Local Fund here used includes all Local Funds, and that the fact that the Local Fund service may be distinct from Government service is not material, if the funds from which the pay is drawn are public funds. The wording of the latter part of the section shows clearly that it is immaterial whether the re-employment is in pensionable or non-pensionable service.

ORDER THEREON, 11th November 1881, No. 1198.

Under the circumstances stated by the Examiner of Public Works Accounts and the Accountant-General, no orders are necessary in the case of the twenty-six persons whose names are entered in Statement No. 1 submitted by the Examiner of Public Works Accounts. The Examiner will inform the applicants accordingly.

2. The case of M. Agnisawmy Pillay and those of the other individuals referred to in the Statements Nos. 2, 3 and 4 will be disposed of in separate orders.

NOVEMBER.

Entering clearance.—Stating that no orders are necessary in the case of the proposed transfer of Public Works accounts, which have been entered in the statement No. I attached by the Examiner, Public Works Accounts, and that the said matter will come in the case of that establishment.

Copy of letter No. 260 M dated 29 January 1880 from Major D. H. Ford R.E. officiating Examiner of Public Works Accounts to the Secretary to Government Public Works Department.

With reference to G.O. No. 2281 dated 12 November 1879 in which it has been decided by Government that (chapter XX section III (as parently Section XIII as intended) of the Civil Pension Code does not bar the employment by Local Fund Boards of pensioners reduced from the Public Works Department under recent orders, I have the honor to submit the following Remarks for Consideration and further orders.

2. The ruling contained in Section XIII, Civil Pension Code, apparently refers only to persons voluntarily quitting the service on retiring pension, and cannot therefore, it is thought, be held to apply to the Officers and subordinates recently transferred on Reduction of Establishment on Compensation pensions. These Officers and subordinates clearly seem to come under the operation of the rule in Section 107 of the same Chapter, and with which

to this ruling they can draw pay on re-employment by Local Fund Boards in addition to their pensions, provided the sum total does not exceed the pay they were in receipt of before retirement.

3. Doubts also exist on the following points, regarding which the views of the Government in the Pension Department, and, if necessary, the orders of the Government of India, should be obtained, for the guidance of this Office:-

(i) With reference to Government of India Resolution No. 2620-264 R. dated 21st November 1879, whether the retiring bonus of an Officer admissible under Government of India Resolution No. 2079 dated 31st July 1879, is payable to him on his obtaining immediate employment under a Local Fund Board.

(ii) Whether an Officer permitted to retire under the terms of Government of India's Resolution quoted above, and who later on an employment under a Local Fund Board, can contribute for pension under Sections 45 and 46 of the Civil Pension Code.

(iii) Whether service on the newly Constituted Local Funds established may be qualifying for pension, under Section 39 of the Civil Pension Code.

We shall be thankful if the favour of early orders is requested.

Verified from the Audit Registers of this office and found correct.

The entries in the Audit Registers of this Office show that the applicant was transferred for sundry months under Local Funds Charges on the pensions being disposed with on reduction of Establishment in the Public Works Department. Pending the final orders of Government on the reference made by this office on letter No 264 M dated 20th January 1880 (Copy attached), and with reference to Government of India Public Works Department letter, No 7240 M dated 19th March 1880 to the address of Madras Government printed with Pension Department of G.O. No 351 dated 3rd May 1880, it appears very doubtful whether the applicant is entitled to any gratuity at present.

Attention is also invited to the Orders of the Government contained in G.O. No 1193 M dated 19th May 1880 (Copy herewith).

Countersigned with the remark that it is evident from the remarks of the Examiner on the 2nd page of the application, that from 1st April 1880, the date on which the applicant's services in the Public Works Department were dispensed with, owing to general reduction of Establishment in that Department, he was transferred for employment under a Local Fund Board. Under these circumstances the applicant would seem to be entitled to no retiring allowance under the recent instructions from the Government of India.

With reference to G.G. O. No. 2865
of dated 13 October 1879. in which it has
been decided by Government that Chapter
XX, Section 110 (apparently Section 111 in
Code) of the Civil Pension Code does not
bar the employment by Local Fund Boards
of pensioners reduced from the Public Works
Establishments under Rule 107 of the Code, I have
the honor to submit the following remarks
for consideration and for the orders.

2. The ruling contained in Section
111 Civil Pension Code, apparently refers
only to persons voluntarily quitting the
service on retiring pension. And cannot
therefore, I think, be held to apply
to the officers and subordinates recently
reduced on reduction of establishments
on Compensation pensions. These Offi-
cers and subordinates clearly seem to
come under the operation of the Rule in
Section 107 of the same Chapter, And
with reference to this ruling they can

drawn

draw pay on re-employment by Local Fund Boards in addition to their pensions, provided the sum total does not exceed the pay they were in receipt of before retirement.

3. Doubts also exist on the following points, regarding which the views of the Government in the Pension Department, and, if necessary, the orders of the Government of India, should be obtained, for the guidance of this Office:-

(i) With reference to Government of India Resolution No. 2620-2661 F.J., dated 21st November 1879 which lays the retiring bonus of an Officer inadmissible under Government of India Resolution No. 2079, dated 6th July 1877 is payable to him on his obtaining immediate employment under a Local Fund Board.

(ii) Whether an Officer permitted to retire under the terms of Government of India's Resolution quoted above, and who takes up an employment under a Local Fund Board, can contribute for pension under Sections 16 and 17 of the Civil Pension Code.

(iii) Whether service on the newly constituted Local Funds establishments is qualifying for pension,

vide Section 29 of the Civil Pension Code.

Not Verified and even if Verified, will not count towards pension or gratuity as service rendered on temporary establishment Vide Section 18 Civil Pension Code. The applicants services were dispensed with in the Mysore Province on account of ill health.

Verified from the Audit Registers of this office and found correct.

The entries in the application Service book and the Audit registers of this office show that the applicant has been twice granted employment under the Local Fund Board on the services being dispensed with on reduction of Establishment in the Public Works Department. Pending the final orders of Government the services were made by this office Vide letter No. 284 M. dated 29th January 1880 (Copy herewith), and with reference to Government of India letter No. 734 dated 19th March 1881 to Government Madras printed with Pension Department G.O. No. 351 dated 3rd May 1882, it appears very doubtful whether the applicant is entitled to any gratuity whatever at present.

Attention is also drawn to Madras Government G.O. No. 1193 dated 19th May 1882 (Copy attached).

Countersigned with the remark that it is evident from the remarks of the Examiner on the 2nd page of the application that from 1st April 1880, the date on which the applicant's services in the Public Works department were dispensed with, owing to general reduction of establishment in that department, he was transferred for employment under a Local Fund Board. Under the circumstances the applicant would seem to be entitled to no retiring allowance under the recent instructions from the Government of India.

Submitted to Government with the remark that it is evident from the remarks of the Examiner on the 2d page of the application that from 1 January 1880, the date on which the applicant's services in the Public Works Department were dispensed with, owing to general reduction of Establishment in that Department, he was transferred for employment under a Local Fund Board. Under these circumstances, the applicant would seem to be entitled to no retiring allowance under the recent instructions from the Government of India.

Copy of letter from the Offg. Examiner of Public Works Accounts, Madras to the Secretary to Government, Public Works Department, Madras, No 264 W, dated 29th January 1880

48

With reference to G.O. No 2,865 W, dated 13th November 1879 in which it has been decided by Government that Chapter XX, Section III (appears by Section III is intended for the Civil Pension Code does not bar the employment by Local Fund Boards of pensioners reduced from the Public Works Department under recent orders, I have the honor to submit the following remarks for consideration and further orders.

2 The ruling contained in Section III, Civil Pension Code, apparently refers only to persons voluntarily quitting the service on retiring pension, and cannot therefore, it is thought, be held to apply to the Officers and subordinates recently retired on reduction of establishment on compensation pensions. These Officers and subordinates clearly seem to come under the operation of the rule in Section 107 of the same chapter, and with reference to this ruling they can draw pay on re-employment by Local Fund Boards in addition

SERVICE BOOK

addition to their pensions, provided the sum total does not exceed the pay they were in receipt of before retirement.

3 Doubts also exist on the following points, regarding which the views of the Government in the Pension Department, and, if necessary, the order of the Government of India, should be obtained, for the guidance of this Office:—

(1) With reference to Government of India Resolution No. 2,620-2,641 E. F., dated 21st November 1879, whether the retiring bonus of an officer admissible under Government of India Resolution No. 2,079, dated 31st July, 1879, is payable to him on his obtaining immediate employment under a Local Fund Board.

(2) Whether an officer permitted to retire under the terms of Government

of

of India's Resolution quoted above, and who takes up an employment under a Local Fund Board, can contribute for pension under sections 45 & 46 of the Civil Pension Code.

(3) Whether service on the newly constituted Local Funds establishments is qualifying for pension, vide section 39 of the Civil Pension Code.

(4) The favor of early orders is requested.

Submitted to Government with the remark that it is evident from the remarks of the Examiner on the 2d page of the application that from 1st January 1880, the date on which the applicant's services in the Public Works Department were dispensed with, owing to general reduction of Establishment in that department, he was transferred for employment under a Local Fund Board. Under these circumstances, the applicant would seem to be entitled to no pensionary allowance under the present instructions from the Government of India.

From the entries in the service book and the gratuity application it will be observed that the applicant was transferred for employment on the Local Fund Board & his services being dispensed with on reduction of establishment in the Public Works Department. Pending the final orders of Government to the reference made by this Office in letter No 2648 dated 24th January 1880 and with reference to the Government of India, Public Works Department letter No 734 C. dated 10th March 1880 to the address of the Madras Government forwarded with C. G. Proceedings Department No 351 dated 30th April 1880 it appears very doubtful whether the applicant will be entitled to any gratuity at present. Therefore in any case limited to the orders of the Government contained in G. O. No 1190 M. dated 19th May 1880.

The service book accompanies the application.

Verified from the Credit Registers of this Office and found correct.
The Credit Registers merely show that no pay was drawn for the Applicant for 20th April to 8th May 1874 but as the Supdg Engineer states that this period was ordered to be treated as leave without Allowances the period has been treated accordingly and charged as such in the Service Book.

Verified from the Credit Registers of this Office and found correct.
The reason of the Applicants deputation from the 6th to 20th on the 20th May 1876 is given against Entry 2 in the 3d page of the Application.

Verified from the Registers of this Office and found Correct.

According to the Entries in the Credit Registers of this Office, the date of the Applicants first Appointment on Rs 16 per mensem was 16th June 1866 and not 1st October 1866 as shewn in the Service Book and the Gratuity Application; further pay was passed at the rate of Rs 30 per mensem as Sub Overseer 3d Grade for the period from 16th May 1877 to 18th May 1877 and not at the rate of Rs 60 as Sub Overseer 1st Grade. As the above differences do not in any way affect the Amount of Gratuity he is shewn to be entitled to the return of the Service Book and Gratuity Application for necessary correction, was considered unnecessary to delay the submission of the Applicants case for the Orders of Government.

The Entries in the Service Book shew that the Applicant was transferred for employment under the Local Fund Board on his services being dispensed with on retrenchment of Establishments in the Public Works Department pending the final orders of Government to the reference made by this Office on letter No 284-H dated 29th January 1880, and into Reference

Government of India, Public Works Department, Letter No 564 G. dated 19th March 1880, to the Address of the Madras Government, which printed with Public Works Department G.O. No 351 dated 3rd May 1880, it appears very doubtful whether the applicant is entitled to any Gratuity at present. Attention is also invited to the Order of this Government, contained in G.O. No 1193 Ft dated 19th May 1880.

Letter from the District Engineer, Salem No 2140 dated 14th December 1877 -

The Chief Engineer perused with reference to the foregoing papers that the extreme penalty of dismissal should not be resorted to unless the Overseers confirmation for the Department is clearly established. The statements made in these papers are of too general a nature to enable the Chief Engineer to come to a decision on the point.

Sir,

Date of Service Register & Copy of P.O.'s letter

I have the honor to inform you that I have been under the necessity of ordering the suspension of Talak Ouseer's Sarra Sunnadhary from his post from the date of his being relieved of his charge pending orders for his dismissal as he has proved himself incompetent for his post and thoroughly untrustworthy and his further retention in the Department would only be detrimental to it.

Sarra Sunnadhary was first employed in the Department on the 7th July 1873 and his conduct from the commencement of his service has been far from satisfactory as will be observed from his enclosed Service Register. The Ouseer was transferred to the Mayaveram Range in August 1876

and his Range Officer. The Sergeant after a trial of his Brother Officer preferred charges as follows on the 4th July 1915.

"That on the 29th August 1914 he the Range on the 29th August 1914 did have not been giving satisfaction, he has been reprimanded, and cautioned but to no purpose, his conduct was causing very little importance. He knowingly entered in the Book of his Section, does not inspect his men and keeps his Section Two, three and four months without pay. I have several times been obliged to take the Book from him and I have placed Mr Baker in charge him on Special duty. I am afraid this Overseer is unable to stand the sun as on the last occasion about the middle of last Month when I was inspecting his work he was unable to accompany me and was obliged to return to his Head Quarters at Stamsund."

The Overseer was duly warned on this occasion that the next specific charge against him of neglect of duty or disobedience of order will lead to his dismissal. It will be observed from the enclosed copy of the Range Officer's letter. No. 399 dated 30th November 1914 that the above warning had no effect on him whatever and that he still continues to neglect his work and to disobey orders.

Under these circumstances I see no other alternative but to recommend his dismissal from the Department.

(1) Verified from the Audit Registers of this Office and found Correct.

(2) The Service Book and the Quarterly Application are somewhat irregularly kept as regard to leave beyond by the Applicant but as the entire period of the Applicants Service had been duly verified from the Audit Registers of this Office, the return of the Service Book and the Application for Completion were considered unnecessary as only delaying the disposal of the case for the orders of Government.

(3) The cause of the Applicant's promotion from Overseer 3d Grade to the Overseer 1st Grade had not been fully explained and before the Quarterly Application or the Service Book subsequently has been called for from the Superintending Engineer and will be furnished immediately on receipt of the same from the Office.

(4) As Entries in the Service Book and the Quarterly Application show that the Applicant was transferred for employment under the Local Fund Board on his dismissal being suspended until the Orders of Government on the Charges against him are received from the final Orders of Government to the Reference made by this Office in Letter No 84 dated 29th January 1881 and with reference to the Government of India G.O. No 1 Letter dated 16th March 1878 to the address of the Madras Government printed with G.O. Pension Department No 351 dated 3rd May 1881, it appears very doubtful whether the Applicant will be entitled to any gratuity.

(5) Attention is also invited to the orders of the Government contained in G.O. No 1193 M dated 19th May 1880.

(6) As the Applicant to age next birthday is left than 55 years the Confidential Medical Report prescribed in Rule 5 Sec 105 of the Civil Pension Code was considered unnecessary and has not been obtained.

The applicant's services were dispensed with on the 31st December 1879 owing to a General reduction of Establishment in the Public Works Department.

His entries in the Service Book show that the applicant was employed under Local Fund Boards on his services being dispensed with on reduction of Establishment in the Public Works Department. Regarding the final orders of Government to a reference made by this office in letter No 266 W dated 29th January 1880 and with reference to the Government of India P. W. Department letter No 734 G dated 19th March 1880 to the address of the Madras Government printed with Pension Department G. O. No 351 dated 3rd May 1880, it appears very doubtful whether the applicant will be entitled to any gratuity at present.

Accountant General, Madras.

Copy of letter No. 264 W dated 29 January 1880 from Major D. H. Trail C.E. officiating Examiner of Public Works Accounts to the Secretary to Government Public Works Department.

With reference to G. O. No. 2865 W, dated 13th November 1879, in which it has been decided by Government that Chapter XX, Section III (apparently Section III is intended) of the Civil Pension Code does not bar the employment by Local Fund Boards of pensioners reduced from the Public Works Department under recent orders, I have the honor to submit the following remarks for consideration and further orders.

2. The ruling contained in Section ~~III~~ Civil Pension Code apparently refers only to persons voluntarily quitting the service on retiring pension, and cannot therefore, it is thought, be held to apply to the Officers and Subordinates recently retired on reduction of establishment on Compensation pensions. These Officers and subordinates clearly seem to come under the operation of the rule in Section 107 of the same chapter, and with reference

6

to this ruling they can draw pay on re-employment by Local Fund Boards in addition to their pensions, provided the sum total does not exceed the pay they were in receipt of before retirement.

3. Doubts also exist on the following points, regarding which the views of the Government in the Pension Department, and, if necessary, the orders of the Government of India, should be obtained, for the guidance of this Office.

(i) With reference to Government of India Resolution No 2620-26 dated 29th November 1879, whether the retiring homes of an Officer admissible under Government of India Resolution No 2079 dated 31st July 1879 is payable to him on his obtaining immediate employment under a Local Fund Board.

(ii) Whether an Officer permitted to retire under the terms of Government of India's Resolution quoted above, and who takes up an employment under a Local Fund Board, can contribute for pension under Sections 45 and 46 of the Civil Pension Code.

(iii) Whether service on the newly Constituted Local Funds establishments is qualifying for pension, vide Section 39 of the Civil Pension Code.

4. The favor of early orders is requested.

The period of C. R. Aravamoothoo's Service as Irrigation Ameen has been entirely omitted from the Letter. As these discrepancies and the omission do not in any way affect the amount of Gratuity, it has been considered undesirable to return the document in question for correction as only causing further and unnecessary delay in the Submission of the papers to Government. From the last entry in the last column of the applicant's Service book it appears that he has been transferred for employment under the Local Fund Board on his services being dispensed with on reduction of Establishments in the Public Works Department. Pending Final orders of Government on the reference made by this office in letter No. 264 W dated 29 January 1880 (Copy attached) and with reference to letter No. 734 G dated 19 March 1880, from the Government of India to P. Verified from the model registers of this Office and found correct.

The entries in the gratuity application and service book show that the applicant was transferred for employment under Local Fund Board Committee on his services being dispensed with on reduction of Establishment in the Public Works Department & during the final orders of Government in the reference made by this Office in letter No 264 M. D/29th January 1880, and with reference to Government of India, Public Works Department letter No 754 G D/19th March 1880, to the address of the Madras Government, printed with Pension Department G.O. No 351 of 3rd May 1880, it appears very doubtful whether the applicant is entitled to any gratuity at present. Attention is also invited to the orders of this Government contained in G.O. No 1193 M D/19th May 1880.

(1) Vouched from the Local Register on proceedings of the Office and found Correct

(2) The applicant was dismissed from the Public Service on the afternoon of the 8th September 1879 by the Sub Divisional Engineer Immovables and the Chief Engineer Public Works Department quashed the punishment and reinstated him with effect from 12th January 1879 and allowed him to count his service prior to his dismissal for pension (vide remarks in the 3 page of the service book under the Column 8). The period of his services from 2nd September 1875 to 8th September 1879 has therefore been allowed as qualifying with reference to rule 3 section 66 of the Civil Pension Code.

(3) The entries at the foot on the 5th page of the application show that the applicant was transferred for employment under Local Fund Boards on his services being dispensed with on reduction of Establishment in the Public Works Department. Pending the final orders of Government to the reference made by this office in letter No. 264 M dated 2nd January 1880 and with reference to Government of India Public Works Department Letter No. 734 G. dated 19th March 1880 to the address of the Madras Government printed with Revenue Department G. Attention is also invited to the orders of this Government contained in G. O. No. 1193 dated 19th May 1880.

Copy of letter from the Executive Engineer Ramnad to the Supg Engineer 3rd Division No 251 of 7th August 1871.

I have the honor to forward herewith an original letter from Sub Engineer Biffen tendering an application from the Overseer of the Devakottai Taluq A. Subramonia Pillay for 15 days leave of absence to enable him to study Surveying and levelling. It is absurd to suppose that this Overseer could obtain any useful knowledge of both of these subjects in 15 days.

I have reason to know that Mr Biffen is seriously hampered in the efficient discharge of his duties by not having an efficient overseer in this Taluq. The present incumbent

The applicant was reduced from Rupees 60 to 45 on 15th September 1871 and from Rupees 60 to 45 on 14th December 1876 for the reason noted against Column 2 on page 6 of the Pension application Vide also Executive Engineer Trichy No 257 dated 7th August 1871 Superintending Engineer Madura No 2638 dated 21st October 1871 and District Engineer Trichy No 1331 dated 9th December 1876.

The entries in the Service Book and Pension Application are incomplete and incorrect in regard to dates & the last as the entire period of the Applicant's Services have been verified from the Records in the office & the return of the documents for correction and completion cannot be considered necessary as only delaying the settlement of the Applicant's claims for the orders of Government.

From the entries in the Service book and on the 6th page of the Pension Application it will be seen that the Applicant has been transferred for employment under the Local Fund Boards on his Services being dispensed with

with on the reduction of Establishment in the Public Works Department
pending the final orders of Government to a reference made by the Officer
in Letter No. 264 P dated 29 January 1880 and which referred to Government of
India Public Works Department No 734 C. dated 19 March 1880 to the address of the
Madras Government, printed with Proc (Revenue) 550 dated 3 May 1880
it appears very doubtful whether the Applicant will be entitled to
any pension or gratuity

Attention is also invited to the orders of the Government contained in G.O. No 1193 P dated 19 May 1880.

Countersigned with the remark that the applicant is entitled to a Pension not exceeding Rs 19-1-11 only and not Rs 19-2-0 per mensem as recommended by the Examiner Public Works Accounts.

With reference to para 6 of the Examiner's remarks on the 2nd page of the application it is pointed out that under the provisions of rule 5 Section 39 of the Civil Pension Code when an officer upon the abolition of his own appointment is transferred to another appointment Compensation Pension may be simultaneously awarded to him subject to the limitation prescribed by Section 107. If the applicant while employed under the Local Fund Boards chooses to retain his Pension in addition to his pay his former service will not count for future Pension. Under the circumstances the applicants re-employment under the Local Fund Boards does not seem to affect the Compensation Pension to which he is entitled.

In accordance with rule 3 of Section 5 of the attention of Government is respectfully solicited to section 22 of the Code.

1 Statt of Verified Service

1 Pension Application

Sir,

In reference to your No 1747 T.J. / 13-11-80 /
and other Correspondence on the subject
of pension papers of V. Nola Singh
5 Mary, late Sub Overseer, I have the
honor to state that I saw him a few
days ago and questioned him regarding
the various periods of absence from
duty, which the Examiner notes as
disqualifying for pension for service
prior to these absences. I have also
enquired from him regarding the early
period of his Superior Service which
the Examiner cannot verify from
his audit Registers -

2. Regarding the period from
2d Feby 1856 to 30 April 1858, during
which the applicant was employed
on the Tinnevelly District, he states
that his Service can be verified from
the record of the Civil Auditor's office
at Madras: and that he can if ne-
cessary get Contemporary Servants
vouchers in Tinnevelly and Madura to
attest his employment.

3. Regarding his Service from
10th Dec 1862 to 28 Feby 1863 and from
1 March 1863 to 30 April 1863 which
the Examiner states cannot be verified,
I would beg to point out that the Examiner
of Public Works accounts at Mysore states
that no Establishment Returns prior to
1st May 1863 exist in his Office - Information
must therefore be sought elsewhere. The
Applicant produced before me an order
of the Mysore Chief Engineer dated 3 Dec
1862 in which he is styled Temporary

but Overseer and is placed under the
orders of the Executive Engineer Bangalore -
It seems to me but fair to allow that he
was actually in employ as he states, from
the 10th December - Again he produces an
original certificate from Lieut S. E. Clarke
acting Executive Engineer Nuggur Division
dated 31st August 1863 in which Lieut
Clarke states that Tholasingam Pillay
had been acting as Draughtsman and
Estimator in his office for upwards of six
months. This would bring his appoint-
ment in this Capacity back to 1 March
1863 at latest.

4. Applicant is stated to have been
absent without leave on 2d June 1876.
He explained that this was on the occa-
sion of Col Dales leaving Tanjore after
many years Connexion with the District,
when all the Subordinates came in to
see him off - He applied to the Sub-

Division Officer the same day for leave which he took in anticipation of it being granted.

5. 1st & 2d July 1877 - Applicant states that on his return from leave on 23d June, Mr Hannan then Division officer, sent him orders (original produced) to take certain levels as his appointment to Manargudi was to take effect from July. He completed the levels on 1st July and went to Manargudi on the 2d. Peruka Yavaram office following the order appointing him to Manargudi, drew his pay only to the end of the month - while in the Manargudi office they only drew his pay from the date of his joining that Division - He states that he made representations, regarding his pay not having been drawn for the 1st and 2d but could not get them attended to -

6. 16 and 17 April 1879 - Applicant thus explains his absence - His father being ill at Trichinopoly, he applied on the 11th April for leave for 2 days (14th & 15th) His application was somewhat delayed in reaching the Sub Divn officer, who besides received on Sunday and did not open the letter until Monday (This is stated in the endorsement which applicant shows) On the 16th a special messenger arrived to inform him that his father was seriously ill and although to his previous application for leave the reply had not reached him, he could not stay but went to Trichinopoly at once - He did not however report his absence until after his return The Sub Division Officer reported the matter to Mr Davidson then in charge Tanjore Division, who applied to the Supt Engr: Mr Rundall for orders - Mr Rundall then warned the Sub Overseer that a

Repetition of his offence would involve his dismissal. Mr Davidson in a letter label received 1st Sept 57 Thompson state that had he known that the Sub Overseer absence would have the effect of disqualifying him for pension, he would have recommended the Head of Department without pay for the two days.

7. Under the Resolution stated above from I have the honor to suggest that further steps be taken to have the applicants Service in 1856-58 verified and that Govt be moved to condone the breaks in his Service which according to the rules disqualify him for pension.

8. I return all the papers, as until the questions about his Service in Tinnevelly and Mysore are settled I cannot complete the Register.

Sir,

I have the honor to forward herewith the pension papers of V. Tholasilingam Pillay, late a Sub Overseer 1st grade in the Tank powr Division, whose services were placed under the orders of the Local Fund Board in consequence of the transfer of Local Fund Works to the management of the Boards' own Agency. Tholasilingam Pillay entered the public service on the 4th April 1854 and continued in it, up to 31st December 1879 making a total service of 25 years and 9 months. Owing to the early part of his service having been rendered in inferior grades, the Applicant is only entitled to one third pension.

2 Tholasilingam Pillay was considered as absent without leave for 2 days by me on the 2nd June 1876 and on the 16th and 17th April 1879. The causes of these absences are fully explained by the Huzur Sheristadar Lingam Iyengar's Decision in his letter No 3739 of the 22nd Nov. 1880 which is enclosed for your information.

3 Under instructions from the Accountant Gl's Account the Applicant's Service from 1st April 1879 was classed as temporary Service and consequently the Applicant became entitled to no pension or gratuity whatever. In retransmitting however the pension papers to that Officer I requested him to move the Government to condone the breaks under Section 57 of the Civil Pension Code. The Examiner has returned the pension papers with a remark that the submission of those papers for the orders of Government appears unnecessary with reference to G.O. No 1193 W of 19th May 1880. I see nothing in that G.O. prohibiting the submission of the pension papers for the orders of Government as I requested.

1 Taking into consideration the Applicants long Service, and the high opinion recorded of him in the Service Book by all the Officers under whom Tholasilingam Pillay served, I am of opinion that his case is a hard one and I recommend that Government be moved to condone the breaks in the Applicants' Service (under Section 57 of the Civil Pension Code) and to award him one third pension on account of his long & good

Accountant General's Office

No. 1112/344

From
W. F. Clogstoun Esqre
Offg. Accountant General.

To The Chief Secretary
to Government,
Pension Department,
Fort Saint George.

Sir,

With reference to the Proceedings of Government, No. 948, dated the 21st September 1881, I have the honor to state that in my opinion the Resolution of the Government of India in the Public Works Department, No. 1086 G, dated 18th August 1881, refers only to Officers who retired from the Public Works Department under the Resolution in the Department of Finance and Commerce, No. 2079, dated 31st July 1879. The terms of the Resolution appear to me to be justly applicable also to any others who after their services have been dispensed with by the Public Works Department have, through their own efforts, obtained employment under a Local Fund Board prior to the date of issue of the present Edition of the Pension Code, but the Resolution is

and I think applicable to subordinates of the Public Works Department, who on accordance with the practice formerly in force, were transferred from service under Government to service under the Local Funds.

2 Exemption from the latter of Section 177 of the Civil Pension Code was accorded to the Officers who retired under the Resolution above quoted presumably because the corresponding Sections of the Pension Code which was in force when the officers in question took service under Local Funds i.e. Section 106 & 107, did not in express terms include re-employment under Local Funds as re-employment which involved the necessity for refund of pension and gratuity and consequently therefore the officers who took such re-employment might justly plead that they had retired on Local Fund service on the belief that they were entering a service to which that Section of the Pension Code did not apply. The argument moreover of Government that it was not competent to it to refuse a refund of the bonuses as previously was an unanswerable one, and to some extent doubtless influenced the Government of India in according the Exemption in question to these Officers.

3. At the same time the Government of India still retains the right to lay down the terms on which pensions shall be granted to, and shall be drawn by its Officers, and it has provided in Section 177 of the fifth Edition of the Civil Pension Code issued on 6th April last, that an Officer who has obtained compensation Pension, if re-employed, may retain his pension in addition to his pay, provided that, if he is employed in a Government Establishment or in an Establishment paid from a Local Fund or by a Guaranteed Railway Company, the sum total shall not exceed the pay of the appointment on abolition of which the pension was given.

4. It appears to me that the word Local Fund here used includes all Local Funds, and that the fact that the Local Fund Service may be distinct from Government Service is not material, if the funds from which the

the pay & Drawn are payable) funds in
The working of the latter part of the
Section shows clearly that it is intended
whether the pro employment is in person
able or procurable
