PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from H. B. GRIGG, Esq., M.A., Director of Public Instruction, Madras, to the Chief Secretary to Government (through the Board of Revenue), dated Madras, 17th December 1883, No. 8476 :—

With reference to G.O., Educational, Nos. 115 and 644, Miscellaneous, dated 7th March and 25th September 1883, I have the honor to state that the President, Local Fund Boards, North Arcot, intimates that the Local Fund Board, Vellore Circle, are prepared to undertake the management of the Yeomiah school, Arcot, as proposed in my letter, No. 6280, of the 11th September 1883, copy of which was submitted with my letter, No. 6281, of the above date. In doing so, however, the Board require that the school be aided by results grants from Provincial Funds; that the building in which it is now held be placed at their disposal thoroughly repaired; and that the furniture of the Government Muhammadan school, Arcot, be handed over to them.

2. The Inspector of Schools, Fourth Division, to whom the resolution of the Board was referred, considers the conditions proposed by the Board fair. I have no objection to the school being allowed results grants, as it will be eligible only as regards standards above the third, nor to the handing over of the furniture of the Government Muhammadan school. The building, however, is the property of the Honorable Mir Humayun Jah Bahadur, but he has kindly consented to its use by the Local Fund Board on the terms originally come to. The building is stated to be much in need of repair. The President points out that the institution has to its credit Rs. 3,018-10-8, being the balance of the yeomiah funds remaining after the payment of Rs. 20 per mensem to the heirs of the deceased yeomiahda and suggests that the amount be transferred to the Local Fund Board with the school. This appears to be a reasonable demand. After the necessary repairs have been made, the balance should, I think, be invested in Government securities, so as to form an endowment for the school.

3. In these circumstances, I beg to recommend that the sanction of Government be given for the transfer of the school to the Local Fund Board. If this be done, the Government Muhammadan school at Arcot may be closed as recommended in my letter, No. 6281, of the 11th September 1883.

4. In conclusion, I beg that early orders may be passed as the Government school is to be closed from the 1st January next.

RESOLUTION—dated 11th January 1884, No. 66.

Submitted for the orders of Government.

2. The Board support the Director's recommendation.
