GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers:—

From F. BRANDT, Esq., Collector of Nilgiris, to the Chief Secretary to Government, dated Ootacamund, 15th October 1883, No. 113.

In reply to proceedings, Madras Government, dated 28th September 1883, Mis. No. 2174, I have the honor to state that full information regarding the "Agraharam chattram" in Ootacamund town (to which reference is made as the "Nilgiri chattram") and the nature and amount of the fixed allowance at present paid on account of this chattram appears in the orders of Government noted in the margin.

G.O., 14th September 1869, No. 2575, Revenue.
G.O., 22nd April 1872, No. 552, Financial.
G.O., 16th March 1874, No. 443, „
G.O., 29th June 1874, No. 1090, „

2. It will be seen that, in the order of the 22nd April 1872, Government recognised the necessity of reverting to the conditions of the original assignment, viz., of keeping up the "chattram" free for the use of travellers; of keeping it in repair at the cost of Government; and of maintaining an establishment at a cost of Rs. 10 per mensem. These conditions have all been since and are now observed.

3. The "chattram" is, as reported by the commissioner in his letter recorded in the G.O. of the 29th June 1874, above quoted, largely frequented by all caste-people visiting Ootacamund who have no private accommodation; it is indeed the only place where travellers of the upper classes can put up temporarily in this town.

4. It is asked whether this institution cannot, with advantage, be transferred to the Local Fund board or municipality.

5. I do not see that any advantage would accrue to the institution by transferring it to the charge of the municipality, to which I certainly think it ought to be made in preference to the Local Fund board.

6. It further appears from the orders of Government above quoted, that the municipality refused to take over charge of this building and that (G.O., 22nd April 1872) Government did not further press the matter.

7. And I see no objection to the institution remaining under the supervision of the Revenue authorities. The deputy tahsildar is relieved by the municipality of many duties which he would otherwise have to perform in the town, and can very well look after the chattram.

8. If it is meant that the institution might, with advantage to Government, be made over to the municipality, there would, I presume, be no objection to this if the funds necessary for the payment of the establishment and for repairs, which have been guaranteed by Government, were by the latter assured to the municipality.

From W. H. GLENNY, Esq., Collector of Kurnool, to the Chief Secretary to Government, dated 23rd October 1883, No. 422.

I have the honor to submit the report called for in proceedings of Government, dated 28th September 1883, Mis. No. 2174.

Kurnool Lungerkhana.—This institution was founded under paragraph 2 of the orders of the Government of India embodied in proceedings of the Madras Government, dated 7th September 1848, No. 978, Public department. In the days of the late Nawáb of Kurnool, a sum of Rs. 1,482-13-0, for alms to poor travellers, was paid from the treasury to two fakeers, Tofek Alí Shah and Ghazi Shah, as the trustees of the fund. The payment was continued after the assumption of the country by the British Government till October 1843, when the Commissioner, Mr. Scott, in his letter to the Chief Secretary to Government, No. 47, dated 25th idem, recommended that, for certain reasons given, Tofek Alí Shah's allowance should be reduced by one-half. Before orders were passed on this recommendation, Tofek Alí Shah died, and the Commissioner, Mr. H. D. Philips, recommended (*vide* his letter, No. 18, dated 14th April 1848, to the Board of Revenue) that as "the grant enjoyed by Tofek Alí Shah was not a yeomiah but clearly a charitable fund placed at his disposal by the late Nawáb for his own support and casual assistance to needy travellers," a portion of it, or Rs. 30 per mensem, should be utilised in establishing a lungerkhana for the "lame, halt, blind and crippled poor" of Kurncol. This proposal was sanctioned in the Government of India order quoted above. The institution was under the Collector's management till 1881-82 when the Board of Revenue, in their proceedings, dated 31st May 1881, No. 944, paragraph 2, asked the Collector if the Local Fund board would take charge of it. The circle board, in a resolution dated 27th July 1881, expressed their willingness to do so, provided the annual Government endowment of Rs. 360 were transferred to Local funds. The Board of Revenue having, in their proceedings, dated 17th January 1882, Mis. No. 345, stated that the Government endowment for the institution was not intended to be withdrawn, the circle board took charge of the lungerkhana at the end of 1882-83. The transfer of the institution to the Local Fund board was noted by Government in paragraph 6 of their proceedings, dated 17th June 1882, No. 663 (Revenue).

Munro's Tope, Pattikonda.—The following extract from G.O., dated 29th May 1867, No. 1212, gives full particulars of the origin of this tope:—

"On the death of Sir Thomas Munro at Pattikonda in 1827, the Collector of Bellary was directed to communicate with the people of the Ceded districts, and ascertain how the purpose of Government to do honor to the memory of the deceased could best be effected in conformity with native feeling. The Collector reported that the people of the Ceded districts were desirous that a choultry should be erected at Gooty; that a large tope of mango and other fruit trees, with a well attached to it, should be planted around the spot where their venerated benefactor breathed his last; and that the cost should be defrayed by voluntary subscription. In a minute, dated 8th October 1827, the Government resolved that a monument, choultry, and tank should be built at Gooty; that 10 cawnies of land should be allotted for planting trees and sinking wells at Pattikonda; and that all should be done at the public expense. * * *. In pursuance of these orders a capacious well, faced with cutstone and with steps on every side, was dug; a small mandapam was erected, and a tope of 661 trees was planted in Pattikonda at a cost of Rs. 5,348."

In 1859 the tope was inadvertently alienated by sale to a private individual; but the Government, in 1867, when the matter first came to their notice, peremptorily ordered its resumption by the Collector on behalf of Government, remarking that they would "certainly not allow this State memorial to be withdrawn from their hands" (*vide* G.O., dated 19th July 1867, No. 1611, and G.O., dated 8th November 1867, No. 2652).

This was done and the purchaser compensated for his loss.

The receipts from this tope were held in revenue deposit, and the expenditure charged to the same head till April 1880, when, under the instructions of the Accountant-General, dated 19th April 1880, No. J.A.C.P.-5, the whole of the tope balance was transferred to Endowment fund under Special funds.

It is for Government to decide whether the management of this "State memorial" of a great and good man should be transferred to the Local Fund board. It is a question of sentiment on which argument would be out of place. In my humble opinion no change should be made.

From N. A. ROUPELL, Esq., Collector of Anantapur, to the Chief Secretary to Government, dated 27th October 1883, No. 520.

Adverting to the proceedings of Government, dated 28th September 1883, Mis. No. 2174, I have the honor to state that the Munro chattram and dispensary at Gooty may, with advantage, be transferred to the Local Fund board, Anantapur, with effect from the commencement of the next official year.

2. The Munro chattram was originally constructed, as the name indicates, in memory of the late Sir Thomas Munro, at a cost of Rs. 32,772, which was defrayed by Government. Food was gratuitously supplied to travellers, who halted at the chattram, till 1869. Ever since its foundation, the institution has been maintained by an annual endowment grant from Government of Rs. 2,045 or Rs. 2,050 in round numbers, which constitutes the basis of what is known as the "Munro Chattram fund."

Vide Extract from Minutes of Consultation, dated 4th December 1852.

3. In G.O., No. 974, dated 9th April 1869, it was ordered that the supply of food to travellers should be discontinued. The savings thus effected were applied to the support of a new dispensary as a separate institution entitled the "Munro dispensary." For the erection of the new dispensary, a loan of Rs. 7,000 was sanctioned by Government in their order, No. 830, dated 6th June 1870, repayable in annual instalments of Rs. 600, without interest, from the Chattram fund. From the establishment of the Munro dispensary, until the repayment of the loan for building, the endowment grant of Rs. 2,045 was distributed as noted in the margin. The allotment for the chattram establishment continues unaltered.

4. The charges of the dispensary in excess of the contribution of Rs. 860, amounting to about Rs. 1,440 per annum, were at first borne by Government, but were divided between the Local Fund board and the Gooty municipality by G.O., No. 491, dated 17th April 1871. This joint contribution continued until the abolition of the municipality in April 1880, from which time the charges have been thrown exclusively on the Local funds.

5. In 1881-82, the last instalment towards the liquidation of the loan raised from Government for the erection of the dispensary was paid off, and the contribution to the dispensary was increased in 1882-83 to Rs. 1,260, the charges in excess of this sum being met from the Local funds. In the Special fund budget for 1883-84 the contribution to the dispensary is raised from Rs. 1,260 to Rs. 1,620.

From A. J. B. ATKINSON, Esq., Acting Collector of Tinnevelly, to the Chief Secretary to Government, dated 29th December 1883, No. 827.

In reference to G.O., Mis. No. 2174, dated the 28th September 1883, I have the honor to report that only one charitable institution, viz., Koilpati chattram, is now maintained from the "Endowment fund" in this district. This institution was taken under Government management for five years, at the request of its hukdar, under the authority of the Board's proceedings, No. 2606, dated 13th September 1879. At the end of that period it will have to be given back to the hukdar, although it appears to be his desire that the management should be continued for a further period of five years. Its financial condition is so discouraging as to render any continuance of management useless. There is no allowance at present paid by Government to it. In these circumstances, therefore, it is, I think, of no use transferring it to the Local Fund board.

2. Of the marginally-noted institutions, which were under Government management, No. 1 has been already transferred to the Local Fund board, Shermádevi circle, under the sanction contained in Board's proceedings, No. 2912, dated 27th September 1883. The other chattrams have been handed over to their respective hukdars or proprietors.

ORDER—dated 28th February 1884, No. 446, Financial.

Having considered the correspondence read above, His Excellency the Governor in Council has resolved to abolish the Endowment fund as a Special fund from the end of the current official year. The necessary arrangements will be made by the Accountant-General for closing the accounts.

2. Of the institutions maintained from the Endowment fund, the Munro chattram and dispensary at Gooty will be transferred to the Anantapur Local Fund board, and the Agraharam chattram to the Ootacamund municipality. The Accountant-General will arrange to continue to the Anantapur Local Fund board and the Ootacamund municipality the grants now paid to the Munro and Agraharam chattrams, respectively. The Koilpatti chattram in Tinnevelly, it is observed from G.O., 11th January 1884, No. 52, Revenue, will be handed over to its guardian at the end of 1884. The Munro tope at Pattikonda will be removed from the Endowment fund, but will continue in the charge of the Collector of Kurnool, its transactions being carried on under the head of "Deposits."

From

F. Price Esqr
Collector of Trichinopoly,

To

The Chief Secretary to Government,
Financial Department,

Sir,

In reply to your Proceedings, Madras Government, dated 28th September 1883, No 4144 Miscellaneous, I have the honour to state that the information regarding the Agraharam Srirangam, to which reference is made as the Village Manual, and the nature and amount of the said [illegible] present, paid on account of this Shrotrium officers [illegible] Government, noted in the Margin [illegible]

2. [illegible] the order of the 22d April 1872 [illegible] according to the necessity of [illegible] assignment, viz: of keeping the conditions of [illegible] the rate of travellers: of keeping up the Choultries [illegible] Governments: and of maintaining it in repair [illegible] of Rs. 10 per mensem. These an establishment [illegible] and are now observed. Conditions have [illegible] aborted by the Commissioner

3. The Choultries [illegible] G.O of the 29th June 1874 in his letter [illegible] by all caste-people above quoted, [illegible] private accommodation existing Orders [illegible] where travellers of the upper castes can [illegible] by in this Town.

4. It is [illegible] invitation, consult with advantage by [illegible] Local Fund Board

Municipality.

5. I do not see that any advantage would accrue to the institution by transferring it to the charge of the Municipality, to which I certainly think it might be made in preference to the Local Fund Board.

6. It further appears from the orders of Government above quoted that the Municipality refused to take over charge of this building and that (G.O. 22d April 1872) Government did not further press the matter.

7. And I see no objection to the institution remaining under the supervision of the Revenue Authorities: the Deputy Tahsildar is relieved by the Municipality of many duties which he would otherwise have to perform in the Town, and can very well look after the Dispensary.

8. If it is meant that the institution might with advantage to Government be made over to the Municipality, then I would say there is no objection to this if the funds necessary for the payment of the Establishment and for repairs, which have been guaranteed by Government were by the latter annexed to the Municipality.

I have the honor to be,
Sir

I have the honour to ~~submit~~
the reports called for in Proceedings of
Government dated 28th September 1883,
Miscellaneous No: 2174.

Kurnool Lungerkhana

This institution was founded
under para 2 of the orders of the Government
of India embodied in Proceedings of
the Madras Government dated 9th September
1848 No: 978 Public Department. In the
days of the late Nawab of Kurnool, a
sum of Rs 1482-3-0 for alms to poor
travellers was paid from the Treasury
to two Fakeers Dopek Ali Shah and
Ghazi Shah as the Trustees of the Fund.
The payment was continued after the
assumption of the county by the British
Government till October 1843 when the
Commissioner Mr Scott in his letter
to the Chief Secretary to Government
No: 47 dated 25 Idem, recommended

that for certain reasons given, Sofek Ali Shah's allowance should be reduced by one half. Before orders were passed on this recommendation Sofek Ali Shah died and the Commissioner Mr. H. E. Philips recommended (vide his letter no: 18 dated 14th April 1848 to the Board of Revenue) that as "the grant enjoyed by Sofek Ali Shah was now "a Jeomiah but clearly a charitable fund "placed at his disposal by the late Nawab "for his own support and casual assistance "to needy travellers" a portion of it or Rs 30 per mensem should be utilised in establishing a Lungerkhana for the "lame, halt, blind and crippled poor" of Kurnool. This proposal was sanctioned in the Government of India order quoted above. The institution was under the Collectors management till 1881-82 when the Board of Revenue in their Proceedings dated 31st May 1881 No: 94 para 2 asked the Collector if the Local Fund Board would take charge of it. The circle Board in a Resolution dated 27th July 1881 expressed their willingness to do so provided the annual Government Endowment of Rs 360 were transferred to Local Funds. The Board of Revenue having in their Proceedings dated 14th January 1882 R/o: 345 Miscellaneous stated that the Government Endowment for the institution was not intended to be withdrawn, the Circle Board took charge of the Lungerkhana at the end of 1882-83. The transfer of the institution to the Local Fund Board was noted by Government in para 6 of their Proceedings dated 17th June 1882 No: 663 (Revenue)

Munro's Tope - Pattikonda

The following extract from G.O. dated 29th May 1867 No: 1212 gives full particulars of the origin of this Tope.

"On the death of Sir Thomas Munro "at Pattikonda in 1827 the Collector of "Bellary was directed to communicate "with the people of the Ceded Districts, "and ascertain how the purpose of "Government to do honour to the memory "of the deceased could best be effected "in conformity with native feeling. "The Collector reported that the people "of the Ceded Districts were desirous "that a Choultry should be erected "at Gooty; that a large Tope of "mango and other fruit trees with "a well attached to it should be planted "around the spot where their venerated "benefactor breathed his last; and "that the cost should be defrayed "by voluntary subscription. In a "Minute dated 8th October 1827, the "Government resolved that a monument "Choultry and tank should be built "at Gooty; that 10 Cawnies of land "should be allotted for planting trees "and sinking wells at Pattikonda and that "all should be done at the Public expense.

" In pursuance of these orders a capacious
" well faced with cut stone and with
" steps on every side was dug; a small
" mandapam was erected and a Tope
" of 661 trees was planted in Pattikonda
" at a cost of Rs 5348". In 1859 the
Tope was inadvertently alienated by
sale to a private individual; but the
Government in 1867, when the matter first
came to their notice peremptorily ordered
its resumption by the Collector on behalf
of Government remarking that they would
" certainly not allow this State Memorial
" to be withdrawn from their hands "
(vide G.O. dated 19th July 1867 etc: 1611 and
G.O. dated 8th November 1867 etc: 2652).
This was done and the purchaser compensated
for his loss.

The receipts from this Tope were held
in Revenue Deposit and the expenditure
charged to the same head till April 1880,
when, under the instructions of the Accounts-
and General dated 19th April 1880
no: $\frac{I.A.C.P}{5}$ the whole of the Tope balance
was transferred to Endowments Fund
under Special Funds.

It is for Government to decide
whether the management of this " State
Memorial " of a great and good man
should be transferred to the Local
Fund Board. It is a question of sentiment
on which arguments would be out of
place. In my humble opinion no

change should be made.

Sir,

Adverting to the Proceedings of Government dated 28th September 1883, No. 2174, Miscellaneous, I have the honor to state that the Munro Chattram and Dispensary at Pooly, may, with advantage, be transferred to the Local Fund Board Amalapuram, with effect from the commencement of the next official year.

2. The Munro Chattram was originally constructed, as the name indicates, in memory of the late Sir Thomas Munro, at a cost of Rs 32,772 which was defrayed by Government. Food was gratuitously supplied to travellers who halted at the Chattram, till 1869. Ever since its

foundation, the institution has been maintained by an annual Endowment grant from Government of Rs 2045 or Rs 2050 in round numbers, which constitutes the basis of what is known as the "Munro Chattram Fund".

3. In G.O No 974, dated 9th April 1869, it was ordered that the supply of food to travellers should be discontinued. The savings thus effected were applied to the support of a new Dispensary as a separate institution entitled the 'Munro Dispensary'. For the erection of the new Dispensary, a loan of Rs 7000 was sanctioned by Government in their order No 830 dated 6th June 1870, repayable in annual instalments of Rs 600, without interest, from the Chattram Fund, from the establishment of the Munro Dispensary until the repayment of the loan for building, the Endowment grant of Rs 2045 was distributed as noted in the margin. The allotment for the chattram establishment continues unaltered.

4. The charges of the Dispensary in excess of the contribution of Rs 860, amounting to about Rs 1440 per annum, were at first borne by Government, but were divided between the Local Fund Board and the Coorg Municipality by G.O No 491 dated 17th April 1891. This joint contribution continued until the abolition of the Municipality in April 1880, from which time the charges have been thrown exclusively on the Local Funds.

5. In 1881-82, the last instalment towards the liquidation of the loan raised from Government for the erection of the Dispensary was paid off and the contribution to the Dispensary was increased in 1882-83 by Rs 1260, the charges in excess of this sum being met from the Local Funds. In the special Fund Budget for 1883-84 the contribution to the Dispensary is raised from Rs 1260 to Rs 1620.

Sir,

In reference to Government Order Miscellaneous No. 2,174 dated the 28 September 1883, I have the honor to report that only one Charitable Institution, viz Kilpati Chuttram is now maintained from the "Endowment Fund" in this District. This institution was taken under Government management for 5 years, and the request of the Shekdar, under the authority of the Board's Proceedings No 2,606 dated 13th September 1879. As

the end of that period it will have to be given back to the Trustees. Although it appears to be the desire that the management should be continued for a further period of 5 years. Its financial condition is so disconcerting as to render any continuance of management useless. There is no allowance at present paid by Government to it. In these circumstances, therefore, it is, I think, of no use transferring it to the Local Fund Board.

2. Of the marginally noted institutions, which were under Government management, two have been already transferred to the Local Fund Board, Shermadevi Circle, under the Sanction

Contained in Board's Proceedings No 2912 dated 27th September 1883. The other Chuttrams have been handed over to their respective Trustees or Proprietors.
