READ Official Memorandum from the Chief
Secretary to Government, Financial
Department, dated 17th March 1884, No. 617.

Resolution.

The Board observe that the in-
troduction of the new Act into these
nine Districts would necessitate the
amalgamation of the following circles:
Vellore with Chittoor, Chittoor with
Chattrapur, Vellore with Coimbatore,
Guntur with Masulipatam, Madras
Patte with Cuddalore, Negapatam
with Tanjore, Dindigul with Madras,
Shermadurai with Tirunelveli, and Nore
with Palani.

The

2. The Board believe that the present Acting Collector of Tinnevely, Mr. Brooks Atkinson, is in favour of the amalgamation of Phermadevi and Tinnevely circles.

3. In Tanjore District, the distances are not great and there are facilities for communication. There would appear to be no difficulty in the amalgamation of Nagapattinam with Tanjore circle.

4. A similar remark may be made as regards Villore and Chittoor circles.

5. The other circles which would be introduced by the new Act be absorbed in the District circles or comprise tracts of country remote from the Head Quarter stations with local interests unknown to the clique of residents

residents in the chief town who would regularly attend the meetings of the District Boards. From the Dindigul and Hosur circles, there is communication by rail with Madurai and Salem respectively. So in these Districts rural representatives from the absorbed circles may perhaps be able to watch over their interests at the District Boards. But it is about 75 miles by road from Madanapalle to Buddapah or, if the journey is made by rail via Guntur and Arcot, 230 miles. It can therefore hardly be expected that native members will travel such distances to attend the Board's periodical meetings at District Head Quarters with any regularity. Again, in the Krishna Godavari and Tanjore Districts the collector's station

station is in a corner of the District
2. and if the Gunkan Ellore and Chicaole
for circles are abolished members from
those circles cannot conveniently attend
of the District Board meetings, and the
interests of those localities will un-
3. doubtedly suffer. Masulipatam Vakil.
4. know little about the requirements
of the Palnad Coarada merchants
5. & have little concern with Ellore and
Chhatrapur is as far from Chicaole
as Madras is from Chiddalore.

Proceedings of the Madras Government
Read again the Report of the Com mit-
tee on Local Self Government in Madras
dated the 14th December 1922

Order thereon of the M.H.D.

The late Com mittee,
which reported on local
self government in
the Presidency recom-
mended (1) that in dis-
tricts where there was
more than one Local Fund
circle and more than
one Local Fund Board
the same might be
consolidated, and
that in each District
there be constituted
a District Board having
authority over the
whole District and

2 many Taluk Boards
as circumstances
might admit.

The bills providing
for the constitution
of District & Taluk
Boards will become
law at any early
date though not be-
fore the beginning of
April next. It is in con-
templation to extend
the Act to the several
Mysore Districts as
soon as it receives the
Assent of competent
Authority.

To facilitate the keeping
of accounts in the future
and

in which the new Act is the
application is necessary that
in Districts where there is
more than one Local Fund
circle the same should
be done away with & the
whole District should be
constituted in one
circle.

The Government Council
therefore direct that the
following Disposition should
be published in the Fort
St. George Gazette.

Disposition

In exercise of the power vested
in him under sections
of the Madras Local Funds
Act 1871 the Government
Council has been pleased

This is stating the case generally.
There seems no objection to the
