GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

10th June 1881, No. 1060.

Municipal-Budgets.

Read the following paper:—

From W. H. GLENNY, Esq., President of the Municipal Commission, Kurnool, to the Chief Secretary to Government, dated Kurnool, 20th May 1881, No. 85 [Current No. 1240].

I have the honor to submit the revised budget-estimate of the Kurnool Municipality for 1881-82 in accordance with the remarks of Government, embodied in G.O., No. 294, dated 21st February 1881.

2. It is estimated that the receipts of 1881-82 will amount to Rs. 25,265 as detailed below:—

	RS.
Opening Balance	Nil.
Rates on Houses and Lands	6,000
Tax on Animals and Vehicles	1,300
Tax on Arts, &c.	3,200
Registration of Carts	880
Tolls	6,000
License Fees	300
Fines and Penalties	150
Pound Fund Contribution	20
Contribution from Local Funds	2,165
Endowment	130
License Tax	3,000
Private Scavengering	1,000
Miscellaneous	1,120
Total	25,265

3. The Commissioners are not in a position to enhance the present rate of taxation on houses; they, however, hope to realise the difference by raising the receipts under registration of carts and tolls.

4. The recent sale of tolls have satisfied the Commissioners that, notwithstanding the prejudicial effects produced on the income of tolls by the commencement of navigation, Rs. 6,000 may be realised by utilising one-fourth of D. Schedule rates under tolls in 1881-82 as proposed by Government.

5. Rupees 75, shown as contribution from the Local Fund Board (a new item this year) for communications, is on account of the Hyderabad road, which has been taken over by the Municipality at the request of the former Board.

6. Receipts on registration of carts are raised from Rs. 420 to 880 by levying the additional rate of two rupees under Section 75 of the Act.

7. *Contribution from Local Fund Board.*—Rs. 2,165 are now shown under this head instead of Rs. 2,835, the charges on account of the hospital, towards which the Local Fund Board contribute, being reduced by a thousand rupees.

8. The Commissioners, whilst fully recognising the value of the suggestion made by Government as to private scavengering from a sanitary and financial aspect, regret that, on account of the few scavengers at their disposal (males 21, females 12) and of the impossibility of obtaining this class of persons in the neighbourhood, they

are unable at present to calculate with confidence upon any income accruing under this head. The matter will not, however, be lost sight of, and endeavours will be made at once to induce persons to immigrate from other localities in numbers sufficient for the purpose, so that a successful result may be attained in future years.

EXPENDITURE.

9. The following charges are proposed:—

Grant I—Public Works (1 New Works, 2 Repairs)—

(a) Communications	RS.

Entire Total	1,225

10. Grant I.—The estimate is far below what is necessary to keep the roads of the town and environs in proper condition, being Rs. 170 less than that expended last year; but the Commissioners see no other alternative in view of the urgent necessity for economy in every branch of expenditure.

11. Grant II.—The increase of Rs. 1,000 accorded to the dispensary is now reduced and Rs. 3,000 is entered.

12. With reference to last clause in paragraph 4 of the above Government Order, it may be pointed out that Rs. 6,800, provided in the budget for 1880-81 under conservancy, includes Rs. 1,000 on account of private scavenging.

13. In accordance with the remark made by Government about reducing the charge for water-supply, the President placed himself in communication with the Chief Engineer for Irrigation on the subject, and received G.O., No. 264, dated 12th April 1881, in reply. Rs. 3,500 is accordingly entered under this head.
