The Budget Est. as passed
by Govt. (Co. 14 May 81 No 850)
exhibited 520 as the
opening balance, as against

As anticipated by the
Vice President in the letter sub-
mitted in that Co.

It is not clear how
the anticipated figure is
shown as £577 in the
Resolution now forwarded.

However that may
be, whatever slight
adjustments may be
still required on receipt
of the Budget Order, which
has not been received
when the resolution was
passed, - the Mty. find
themselves better than they
expected by

£1050 - excess on Toll (conting)

+ 2000 (?) difference between
anticipated balance
& real balance - after
adjustments directed
in the Co.

No closing balance at the

It is therefore submitted
that £350 be struck off
the ^{proposed} addl. allot. of 2000
for the water scheme
to provide this. $\frac{1236}{8}$

None of the rest of the
proposals seem to
admit of reduction. Com-

allotments in the
original Est.
