ENCLOSURE No. 1.

From R. W. LODWICK, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 13th September 1876, No. 354.

With reference to your endorsement on a petition from the Trustees of the Triplicane Pagoda to His Grace the Governor in Council, dated 8th August 1876, referred for report under endorsement, No. 1646, dated 8th September 1876, I have the honor to report that the allowance to the Triplicane Pagoda was paid on a document signed by three Dharmakartas or Trustees. One of them died and another was named by the two surviving Dharmakartas. Exception was taken by certain inhabitants to the nominee. Proceedings of the Board of Revenue, dated 11th August 1879, No. 2287.

Read the following letter from A. C. TUPP, Esq., Officiating Accountant-General, to the Acting Secretary to the Board of Revenue, dated Fort St. George, 10th July 1879, No. 2718:—

In continuation of my letter, No. 2574, dated the 30th ultimo, I have the honor to state that the Deputy Collector in charge of Treasury, Nellore, having in his letter, No. 777, dated 21st May 1879, applied to this office for a permanent payable order for the allowance of Rs. 16-11-0 per annum for religious service in a mosque, the continuance of which was sanctioned in Board's Proceedings, No. 3079, dated 19th November 1878, the Collector was asked to explain the circumstances under which a permanent payable order is required, as in such cases cash payments from the Treasury were prohibited under G.O., No. 1625, dated 8th October 1878, Revenue.

2. The Collector in his reply, No. 2208, dated 30th June 1879, informed me that the system of substituting revenue (beriz) deductions for existing cash payments would not be brought into effect in his district before the 1st July 1879, and that the permanent payable order was called for in order that the cash payments already made might be noted thereon.

3. I make this report with a request that the Board will be good enough to issue such instructions on the subject as may be necessary, in order that the practice in the several districts may be rendered uniform.

The Board did not expect that the substitution of revenue (beriz) deductions for existing cash payments to religious institutions would be carried out much earlier than 1st July 1879. The arrangement has to be made in communication with the recipients of the allowances, and

will necessarily take time; but Collectors will again be requested to see that the system is brought into force as soon as possible, and that the report called for in Board's Proceedings, dated 25th November 1878, No. 3186, is submitted at an early date.

The order was passed,
it will be seen, on
a letter dated the 18th

There was evidently some
confusion at the time,

Letter From the Accountant General, dated 2nd
June 1881, No 1994, requesting orders as
to the payment of the allowances
due to Sri Parthasarathi Swami's
Pagoda at Triplicane

Memo to the Accountant General No 1055,
28th June 1881, asking him to furnish
certain documents referred to in the
above letter as they could not be traced,
and stating that GO No 1737 of 28th Sept 1876
disposed of Acct Genl's letter No 364 of 18th idem

Letter from the Accountant General, 24th June 81
FOR ORDERS.

No 2364, forwarding copies of the docu-
ments with the remark that GO No 1737
of 28th Sept 1876, disposed of letter No 354
dated 13th and not No 364 of 18th idem.

Memo to the Accountant General, No 1120,
dated 27th June 1881, pointing out that
the order No 1737 was passed on a
letter 28th Sept 1876 numbered 364 inside
and 354 on the outside, and requesting
him to state what order disposed of
the reference in regard to Mr.
Hannington's leave allowances.

Letter from the Accountant General, No 2536,
22nd July 1881 stating that no orders
appear to have been issued on his office
letter No 364 of 18th Sept 1876 & that no further
reference was made to Govt regarding
the amount overdrawn by Mr.

Wm. Huntington

For orders.

It appears pretty clear that owing to some confusion arising from clerical errors, and to the absence of any abstract of the subject of the Acct. Genl's copy of G.O. No. 1737 dated 28th September, 1876, (vide copy of that order supplied by him), the order passed in regard to a matter of travelling allowances has been conceived to be the disposal of the

Report of the Surveyor & the proper parties - So they may be for the Acct. Genl. from the G.O. No.

But the Dis. & the Acct. Genl. in the Acct. Genl. we can't judge as we have not the 18th Geo: Quarter - In fact it is in the Acct. & being deductions, then may be some difficulty unless the Sagoda over land being in duplicate then may be difficulty in assigning the charge on land. L.H.

Triplique payable reference.

Submitted that orders may now be issued directing the payment of the amount due to the Sagoda - by the Acct. Genl. up to the 30th June, 1879, - by the Collectors concerned, subsequent to that date.

It seems hopeless to attempt to get to the bottom of this office mistake. While the Acct. Genl. cannot trace any disposal in his reference in regard to Wm. Huntington, the Genl. office cannot trace

on the subject of the
Pagoda.

It will be seen from
the original of G.O.
No. 1737 of the 28th
Sept^r. 1876, that the

Confusion had already
commenced - the letter
being from the Acct.

Genl. being numbered
differently inside &
outside. As on the
signed copy of the
order, a number &
date of a letter

(No. 354 of the 13th Sept^r.)
which had apparently
not been received, came
& he entered is
inexplicable.
