GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

20th July 1881, No. 1333.

Municipal—Medical.

Read the following papers:—

Proceedings of the Board of Revenue, dated 2nd June 1881, No. 958 [Current No. 1708].

Read—again the following Proceedings of the Board of Revenue, dated 12th April 1881, No. 3,899, Miscellaneous.

Read the following Brd.'s Gen. Reg. No. 2,856 of 1881—Letter from J. B. PENNINGTON, Esq., President of the Local Fund Boards, Tinnevely District, to the Secretary to the Board of Revenue, dated 5th April 1881, No. 48 :—

WITH reference to paragraph 30 of my letter, No. 136, dated 11th October 1880, forwarding the Budget for 1881-82, I have the honor to enclose copy of Resolution No. 29, dated 19th January 1881, of the Local Fund Board, Tinnevely Circle, and to request you will be good enough to obtain the sanction of the Board of Revenue and Government for a contribution from Local Funds to the Palamcottah Municipality of one-fourth of the net cost of the dispensary.

2. The cost of the dispensary during the year 1879-80 amounted to Rs. 7,252-1-3

Excess borne from Municipal Funds	...	...	...	3,286	14	2	that the number of

Municipal limits is considerably in excess of those who attend the other two Municipal Dispensaries. It is not known on what data the amount of contribution to be paid was originally fixed.

4. In the case of the Tuticorin Dispensary the Local Fund Board now bear one-fourth of the net cost; in Tinnevely they pay one half, whilst the contribution now paid to Palamcottah comes to only one-tenth of the net cost, and there is no reason why it should not get its fair share of aid from the Local Funds in proportion to the outside patients treated.

5. One-fourth of the net cost now proposed to be given would involve an additional expenditure of Rs. 476-11-6 on Local Funds as shown below, calculated on the figures of 1879-80 :—

	RS.	A.	P.
Total expenditure ...	7,252	1	3
Deduct receipts from interest and other miscellaneous items ...	3,505	3	1
Balance ...	3,746	14	2
One-fourth on the above ...	936	11	6
Deduct the present contribution ...	460	0	0
Additional Cost ...	476	11	6

In round figure the contribution may be estimated at Rs. 1,000 for the present, though I am inclined to think that Local Funds will ultimately have to bear at least half the net cost of each dispensary, if it is only to save the towns from bankruptcy. The Commissioners of the Palamcottah Municipality have actually budgeted for Rs. 1,500 this year, and I shall endeavor to obtain a special extra grant from the Local Fund Board of Rs. 500 to balance their Budget.

ENCLOSURE No. 1 to Brd.'s Gen. Reg. No. 2,856 of 1881.

Extract from the Proceedings of the Local Fund Board of the Tinnevelly Circle, dated 19th January 1881.

29. Read again Resolutions Nos. 37 and 16, dated 22nd September and 15th December 1880, respectively, on the application from the Vice-President, Palamcottah Municipality, for raising the contribution payable to the dispensary.

Read statements of patients treated in the Tinnevelly and Tuticorin Municipal Dispensaries during the last three years.

The Board would allow Palamcottah one-fourth of the net expenditure chargeable to the Municipal Fund.

Resolution.—Forwarded to the Surgeon-General with the Government of Madras for remarks.

(By Order.)

(Signed) E. GIBSON,
Acting Secretary.

Read—the following Brd.'s Gen. Reg. No. 3,201 of 1881—Letter from Surgeon A. J. STURMER, Secretary to the Surgeon-General with the Government of Madras, to the Secretary to the Board of Revenue, dated Fort St. George, 22nd April 1881, No. 2,300 :—

In returning the papers referred with your endorsement, No. 3,899, dated the 12th instant, I have the honor, by desire of the Surgeon-General, to inform you that he approves of the resolution of the Tinnevelly Local Fund Board to contribute one-fourth the annual cost of the Municipal Dispensary at Palamcottah.

Resolution—

SUBMITTED for the favorable consideration and orders of Government with reference to paragraph 15 of Board's Proceedings, dated 7th March 1881, No. 397, reviewing the Local Fund Budget of the Tinnevelly Circle for 1881-82.

2. In paragraph 10 of their Order, dated 9th December 1871, No. 762, Financial Department, Government, while directing the transfer of the Civil Dispensary at Palamcottah to the Municipal Commissioners of that town, approved of the contribution of Rs. 460 from Local Funds towards its maintenance. The Tinnevelly Circle Board are now willing to contribute one-fourth of the net cost chargeable to Municipal Funds to which the Board and the Surgeon-General see no objection.
