GOVERNMENT OF MADRAS.  
FINANCIAL DEPARTMENT.

21st July 1881, No. 1339.

**Local Funds—Pensions.**

Read the following paper :—

*From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Officiating Chief Secretary to Government, dated Fort St. George, 5th July 1881, No. 969 [Current No. 1726].*

The appointment of First Assistant, Auditor of Local Fund Accounts, having become vacant by the death of Mr. Hart, it has become necessary to appoint a successor. It is absolutely necessary that the officer appointed should have a thorough knowledge of accounts, and more particularly of Public Works Accounts, and I have found this knowledge in B. S. Rungiah Naidoo.

2. This officer was for many years attached to the Public Works Department in Bengal, from which Province he was deputed to Madras in April 1878 to assist in the audit and adjustment of the Famine accounts, a work which he carried out to the entire satisfaction of his superior. In July 1880 his services were transferred to the Revenue Department (*vide* G.O., 15th July 1880, No. 1667, A.M.), and he has since been serving as Accountant on a salary of Rs. 170 in the Office of the Board of Revenue.

3. Rungiah Naidoo is willing to take up the post of Auditor, only if in so doing his services shall continue to count for pension. It is not clear whether G.O., No. 906, dated 10th May last, which decides that Local Fund service is not pensionable, is to apply to *employés* in Controlling Establishments at the Presidency who appear to be Government servants rather than Local Fund servants; but if the order does so apply, I have the honor to request that Government will sanction the payment of a pensionary contribution on his account. No officer outside the Government service is possessed of the knowledge and experience required for the post, and yet no Government Officer can be expected to take up the post if by so doing he loses all claim to pension on his future service, especially if, as in the case of Rungiah Naidoo, he has not yet earned a claim to pension for his past services.

ORDER THEREON, 21st July 1881, No. 1339.

The Government are of opinion that service in Controlling and Central Offices at the Presidency is not service *under* Local Fund Boards, and cannot, therefore, be affected by G.O., dated 20th May 1881, No. 906, Financial Department, which refers to the latter alone.

Sir,

Financial Department.

The appointment of first Assistant Auditor of Local Fund Accounts, having become vacant by the death of Mr. Hunt, it now becomes necessary to appoint a successor. It is absolutely necessary that the Officer appointed should have a thorough knowledge of Accounts, and more particularly of Public Works Accounts, and I have found in W. S. Rangiah Naikoo.

2. This Officer was for many years attached to the Public Works Department in Bengal from which Province he was deputed to Madras in April 1878 to assist in the audit and adjustment of the Homing Accounts, and which he carried out to the entire satisfaction of his superior. In July 1880

his

his services were transferred to the Revenue Department (vide G. O. 15<sup>th</sup> July 1880 A. 1667 A. M.) and he has since been serving as Assistant on a salary of Rupees 170 in the Office of the Board of Revenue.

3. Rungiah Praidoo is willing to take up the post of Auditor, only if in so doing his services shall continue to count for pension. It is not clear whether Government Order N. 906 dated 10<sup>th</sup> May last which decides that Local Fund service is not pensionable is to apply to employees in controlling establishments at the Presidency who appear to be Government servants rather than Local Fund servants; but if the Order does so apply, I have the honor to request that Government will sanction payment of a pensionary contribution on his account. No Officer outside the Government Service is possessed of the knowledge and experience required for the post, and yet no Government Officer can be expected to take up the post if by so doing he loses all claim to pension on his future

WP  
future service, especially if as in the case of Rungiah Praidoo he has not yet earned a claim to pension for his past services.
