ABSTRACT.—Letter from Government of India requesting to be furnished, as early as possible, with information, in the prescribed form, of the quantities and kinds of European stores which are annually purchased in India and not obtained from England for official requirements, communicated to all Heads of departments, in continuation of G.O. No. 845 of 1881, for very prompt attention.

## Resolution—

- Two statements of European stores obtained during the year 1879-80 for the use of offices under the control of the Board of Secretary of State. are herewith forwarded in the form given in the above Government Order. The statements have been prepared from returns obtained from Collectors under the transactions of the districts of Ganjam or Godavari or of the Salt Department, from which no returns have been received. Instructions have been issued to Collectors to send in revised returns for 1879-80 in the forms prescribed in G.O., dated 22nd December 1880, No. 2,365, Financial Department.
2. It will be seen that the columns headed "Rate," "Contract Price," "Freight," "Other Charges" are left blank in the statements, the details not being available. The total value, however, as given by Collectors, has been entered for each description of goods.
3. The Board have excluded from the statements supplies of stationery articles which some Collectors have shown in their returns, as the Superintendent of Stationery will report separately about them.
4. Very few European stores are obtained for the use of departments under the control of the Board, and they will see that no article of European manufacture is obtained if a satisfactory substitute of local manufacture can be procured.

No. 1,248.

**Read**—the following Govt. Gen. Reg. No. 1,884 of 1881—Proceedings of the Madras Government, dated 27th May 1881, No. 944, Financial Department:—

**ABSTRACT.**—Letter from Government of India requesting to be furnished, as early as possible, with information, in the prescribed form, of the quantities and kinds of European stores which are annually purchased in India and not obtained from England for official requirements, communicated to all Heads of Departments, in continuation of G.O. No. 845 of 1881, for very prompt attention.

**Resolution—**

Two statements of European stores obtained during the year 1879-80 for the use of offices under the control of the Board

1. Of European stores obtained through the Secretary of State. are herewith forwarded in the form given in the above Government Order. The statements have been prepared from returns obtained from Collectors under
2. Of European stores purchased in India and not obtained from England.

G.O., dated 5th August 1880, No. 1,520, Financial Department, and do not embrace the transactions of the districts of Ganjam or Godavari or of the Salt Department from which no returns have been received. Instructions have been issued to Collectors to send in revised returns for 1879-80 in the forms prescribed in G.O., dated 22nd December 1880, No. 2,365, Financial Department.

2. It will be seen that the columns headed "Rate," "Contract Price," "Freight," "Other Charges" are left blank in the statements, the details not being available. The total value, however, as given by Collectors, has been entered for each description of goods.

3. The Board have excluded from the statements supplies of stationery articles which some Collectors have shown in their returns, as the Superintendent of Stationery will report separately about them.

4. Very few European stores are obtained for the use of departments under the control of the Board, and they will see that no article of European manufacture is obtained if a satisfactory substitute of local manufacture can be procured.
