Read the following paper :—

Proceedings of the Board of Revenue, dated 16th July 1881, Miscellaneous No. 6860
[Current No. 1833].

Read the following letter from H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Secretary to the Board of Revenue, dated Madras, 16th June 1881, No. 2685 :—

I have the honor to forward the enclosed papers relating to a grant of half salary to the Mahomedan teacher employed in the London Mission School, Gooty. Under the Grant-in-Aid Code, Section 29 (b) he cannot be granted aid amounting to a moiety of his salary, but I would recommend, in the circumstances stated, that the Board be permitted by Government to deal with the case exceptionally subject to the condition that the teacher appears for the Special Upper Primary Examination in December 1882.

ENCLOSURE No. 1.

Proceedings of the Board of Revenue, dated 22nd March 1881, Miscellaneous No. 3030.

Read the following letter from H. B. GRIGG, M.A., Esq., Director of Public Instruction, to the Secretary to the Board of Revenue, dated Madras, 18th March 1881 :—

In returning the enclosure received with the Board's Miscellaneous Proceedings, No. 1830, of the 21st ultimo, I have the honor to state that I see no objection to the payment of the salary grant in question. Under Rule 29 of the Grant-in-Aid Code, however, a half grant can be sanctioned only by Government, and if the teacher hold no general education certificate, a third grant only can be given with the sanction of Government.

The President will now report whether the teacher to be employed is qualified for a half grant or only one-third.

Acting Sub-Secretary.

From D. BUICK, Esq., Collector and President, Local Fund Board, Bellary, to the Secretary to the Board of Revenue (through the Director of Public Instruction), dated Bellary, 27th May 1881, No. 2480.

With reference to Proceedings of the Board of Revenue, dated 22nd March last, No. 3030, directing me to report whether the Mahomedan teacher in the London Mission School at Gooty is qualified for a one-half or only for a one-third salary grant, I have the honor to inform you that he is only qualified for the smaller grant.

2. It is, however, impossible in a place like Gooty to secure a Mahomedan teacher who has passed the necessary examinations, and, as the teacher has performed his duties to the satisfaction of the Local Board and as the class is a promising one, the Board are anxious to give him a half grant agreeably to the implied arrangement when the class was opened. I beg therefore that Government may be asked to sanction the payment of the larger grant to the teacher.

3. Copy of the Local Board's Resolution is forwarded for the information of the Board.

RESOLUTION No. XVI.—Read Revenue Board's Proceedings, No. 3030, dated 22nd March 1881, requesting to report whether the Mahomedan teacher employed in the London Mission School at Gooty is qualified for a half grant or only one-third.

Read Rev. Mr. Lewis' letter stating that the teacher has passed no examination, and requesting the Local Fund Board to grant half his salary, and that if this is not done, he will be obliged to discontinue the Hindustani class in the school.

Read also Resolution No. I, dated 15th September 1880.

The Mahomedan teacher, employed at the London Mission School at Gooty, has not passed any test, and is therefore under the rules entitled to only one-third salary grant. The Manager of the school, however, the Rev. Mr. Lewis, has informed the Board that he opened the Hindustani class in the school on a promise from the Local Fund Board to give him half salary grant for the teacher, that he did his best to get a passed teacher but failed to do so, and that he fears that in case he receives only one-third salary grant, he will be obliged to close the class. The Local Fund Board understand that there are 25 boys in the class, and that the teacher is doing good work there and he gives general satisfaction. Under these circumstances, they request that they may be allowed to continue to pay half the teacher's salary for the future as they do at present, and thus avoid the necessity of closing the Hindustani class.

(Signed) L. MOORE,
Vice-President.

Submitted to Government with the request that the half grant may be sanctioned as a special case, and subject to the condition prescribed by the Director.
