MADRAS,
13th June 1881.

(Signed) T. K. GUTHRIE, Lieut.-Colonel,
for Inspector-General of Police.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Officiating Chief Secretary to Government, dated Fort St. George, 2nd July 1881, No. 2539.

Budget Department.

With reference to the accompanying letter from the Inspector-General of Police, No. 3357, dated the 13th June 1881, referred for my report, I have the honor to state that some of the items entered in the list attached to that letter appear to be debitable against the Police Lodging Fund. The others, which amount only to a small sum, can be charged against the assignment of Rs. 37,000 passed in paragraph 2 of the Proceedings of Government in the Financial Department, No. 2063, dated the 3rd November 1880, on account of petty construction and repair works of the Police Department, the Inspector-General being requested to suspend, for execution till the following year, any less emergent work so as to keep the total expenditure of the year within the above allotment.

From Colonel C. S. HEARN, C.I.E., Inspector-General of Police, to the Officiating Chief Secretary to Government, dated Madras, 14th July 1881, No. 4076 [Current No. 2097].

With reference to endorsement, No. 1162, dated 5th July 1881, on letter from the Accountant-General, No. 2539, dated 2nd July 1881 (herewith returned), I have the honor to submit that the Accountant-General errs in supposing that any of these items are debitable to the Lodging Fund under ordinary circumstances or without the express sanction of Government. The Lodging Fund is formed from rent paid by the constabulary for their huts and is utilized in the upkeep of the hutting. The building of stations and huts has not been considered a legitimate charge upon this fund: their provision has properly been undertaken by Government.

2. At the same time it appears to be perfectly open to Government to appropriate the rent paid to them in any manner they see fit, particularly any balance of the fund after provision of repairs.

3. The estimated balance of the Lodging Fund at the end of the current year is Rs. 5,097; * from this balance, for emergent repairs in the Godavari District (which from necessity have been allowed to lie over), must be deducted Rs. 1,428-8-0, leaving a small balance of Rs. 3,668-8-0; and if Government cannot otherwise provide funds for the completion of the hutting (as per list), they can sanction the disbursement by Accountant-General of the amount required (Rs. 2,947) from the fund.

4. Until financial pressure was felt, the usual allotment for Police buildings was Rs. 60,000 yearly, and even with that little enough could be done to provide what is absolutely required. We wanted Rs. 50,000 this year, and the grant has dwindled down to Rs. 37,000.

5. In Tanjore District many station-houses are required, the private houses now used as such being quite unsuited and without safe or healthy lock-up accommodation as complained of by the District Magistrate.† Estimates to the extent of Rs. 5,635 have been sanctioned by me for that district alone.

6. The amount of rent paid for station-houses accommodation is a considerable charge on the Police Budget, and has to be borne in mind when providing funds for building purposes.

7. The small balance for stations must be provided out of the sum of Rs. 37,000 if no other source is available.

OFFICIAL MEMORANDUM.

No. 1252.

With reference to his letter, No. 4076, dated 14th July 1881, the Inspector-General of Police is requested to be so good as to state whether he anticipates that it will be absolutely necessary to apply for any further allotment in addition to the budget grant of Rs. 37,000 plus the sum now asked for, Rs. 2,947.

20th July 1881.

(Signed) C. G. MASTER,
Offg. Chief Secretary.

From Colonel C. S. HEARN, C.I.E., Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 22nd July 1881, No. 4225 [Current No. 1926].

With reference to Official Memorandum, No. 1252, dated 20th July 1881, I have the honor to state that if the Station-house at Kovoor,* sanctioned in G.O., No. 482, dated 5th March 1881, Judicial Department, at a cost of Rs. 975, be held over till 1882-83, the only sum required will be that asked for (Rs. 2,947).

ORDER THEREON, 3rd August 1881, No. 1421.

The additional outlay proposed is sanctioned against savings on the grant for "Police" (Rs. 37,13,000).
