GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

17th August 1881, No. 1497.

Local Funds—Education.

Read the following paper:—

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 9th May 1881, *No.* 2116 [*Current No.* 199].

In September 1880 Dr. John Bradshaw, Inspector of Schools, Fourth Division, recommended that the third-grade Middle Schools at Tirukoilúr and Krishnagiri be raised to the second grade, and that the additional charge be met partly from the increased income from fees and partly from savings effected by the abolition of the Vellore Normal School, the Local Fund Boards of the North Arcot District having opened normal classes of their own at Chittoor and Arni.

2. The diversion of any funds devoted to maintaining Elementary Normal Schools to the strengthening of the establishments of Government Middle Schools did not, however, commend itself to me, and I accordingly asked the Local Fund Boards of the South Arcot and Hosúr Circles whether, if the standard of the two schools were raised, they would contribute a sum equivalent to the salaries of the teachers in the primary classes. My reason for making such a proposition was that the maintenance of such classes by Government really relieved the Boards of the duty and cost of providing elementary education; and, while I considered the course a perfectly equitable one, I hoped that by the arrangement Provincial Funds would to a corresponding extent be set free for other purposes more properly devolving upon Provincial Funds.

3. The Board of the South Arcot Circle did not approve of my proposal; but from the accompanying papers it will be seen that the Hosúr Circle have resolved, *nem. con.*, to adopt my suggestion and to contribute so far as the Government Middle School at Krishnagiri is concerned.

4. The annexed statement compares the cost of second-grade and third-grade Middle Schools according to the sanctioned scale of pay:—

Second-grade Middle School.				Third-grade Middle School.			
Establishment.	Minimum Pay.	Maximum Pay.	Average Pay.	Establishment.	Minimum Pay.	Maximum Pay.	Average Pay.
	Rs.	Rs.	Rs.		Rs.	Rs.	Rs.
Head Master	40	50	46¼	Head Master	30	35	33⅛
Assistant Master ..	30	35	33⅛	Assistant Master ..	20	25	23⅛
Do.	20	25	23⅛	....	..	..	..
Do.	15	17½	16 9/16	Assistant Master ..	15	17½	16 9/16
Servant	5	5	5	Servant	4	4	4
Contingencies	2½	2½	2½	Contingencies	2	2	2
Library Allowance ..	3	3	3	Library Allowance ..	2	2	2
Prize Allowance ..	1½	1½	1¼	Prize Allowance ..	1	1	1
Total ..	117	139⅛	131 1/16	Total ..	74	86⅛	81 13/16

The average increased cost per mensem, if the Krishnagiri School be raised to the second grade, will be Rs. 49-4-0. Adding Rs. 10 for the salary of the teacher of the preparatory class, which it will be necessary to open, the increased monthly cost will be Rs. 59-4-0. To meet this excess charge the Local Fund Board will contribute Rs. 26-9-0* towards the pay of the first and preparatory class teachers, and, as Local Funds are not at present debited with the grants for the fourth results standard, it would not be equitable to call on the Local Fund Board to contribute the second-class teacher's pay. The balance to be provided for is Rs. 32-11-0. Assuming the probable strength of the lower fourth and preparatory classes to be 12 and 30 pupils respectively, the additional income from fees will be Rs. 15-12-0, which, together with the possible savings to Provincial Funds, to which results grants for the fourth standard, if a Local Fund School were to present pupils, would be debited, will go some way towards meeting the difference, whilst the constitution of an upper fourth class, which would follow in the ordinary course, would probably ultimately reduce the charge to Provincial Funds below the present figure.

	RS.	A.	P.
* Average pay of the first-class teacher	16	9	0
Average pay of the preparatory teacher	10	0	0
Total ..	26	9	0

5. It also appears desirable to encourage Local Fund Boards to come forward and pay for the primary education imparted in schools under the direct management of Government in small towns like Krishnagiri, and thus help forward indirectly the cause of superior education. Such towns cannot at present furnish materials for two good schools—one Middle (Provincial) and the other Primary (Local Fund)—and, until this is possible, it would be inexpedient in the cause of education to separate the schools.

6. In these circumstances I have the honor to request that sanction may be given for raising the Krishnagiri Middle School to the second grade and for a contribution of Rs. 320 in round numbers per annum from the Hosúr Local Fund Board to Provincial Funds. The temporary increase charge to Provincial Funds can be met from general savings.

ENCLOSURE No. 1.

From H. E. STOKES, Esq., Acting President of the Local Fund Boards, Salem District, to the Director of Public Instruction, dated 25th March 1881, No. 179.

With reference to your letter, No. 5687, dated 8th December last, I have the honor to forward herewith copy of the resolution of the Local Fund Board, Hosúr Circle, passed on bringing the question of raising the standard of the Middle School at Krishnagiri before the Circle Board. The Local Board have agreed with your suggestions and express their willingness to contribute annually to Provincial Funds the cost of the teachers in the primary classes of the school under reference.
