GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

5th September 1881, No. 1644.

Budget Estimate.

Read the following paper :—

From B. LOVERY, Esq., Sheriff of Madras, to the Chief Secretary to Government, dated Madras, 31st August 1881, No. 119 [Current No. 2347].

I have the honor to acknowledge the receipt of your letter of the 27th instant, No. 1468, but without the budget estimates referred to in it.

2. In my estimate of receipts for that year, the sum of Rs. 5,000, entered as the estimated receipts for the current year, is a clerical error and ought to be Rs. 6,000.

3. But the amount, viz., Rs. 5,000, entered as the estimated receipts for 1882-83 is not an error. As the actuals for 1880-81 amounted to Rs. 4,705 and the average of the actuals for the three years ending with that year was Rs. 5,287, and as there has been a gradual diminution of the fees of this office for the last few years under the operation of the Table of Fees, dated 1st March 1876, I thought that I should be nearer the correct figure if I estimated the receipts for 1882-83 in round numbers at Rs. 5,000.

4. In regard to the question of the falling off in the fees of this office, I beg to refer you to Mr. Sheriff Munsie's letter, dated 7th December 1878, No. 544, recorded in Proceedings of Government, Judicial Department, dated 3rd February 1879, No. 209.

ORDER THEREON, 5th September 1881, No. 1644.

2. The receipts are estimated at Rs. 1,000 less than for the current year, the actuals for 1880-81 having been only Rs. 4,705.

3. The charges are fixed at the same amount as for the current year, and are slightly in excess of the actuals for 1880-81. All the items, except "Contingencies" which is a fluctuating charge, are for fixed salaries.

Ootacamund

Sir,

I have the honor to acknowledge the receipt of your letter of the 27th instant No 1168, but without the Budget Estimates referred to in it.

In my Estimate of receipts for that year, the sum of Rupees 5000- entered as the estimated receipts for the current year is a clerical error, and ought to be Rupees 6000-0-0

But the amount viz Rupees 5000-0-0 entered as the estimated receipts for 1882/83 is not an error. As the actuals for 1880/81 amounts to Rupees 4705, and the average of the actuals for the three years ending with that year was Rupees 5287, and as there has been a gradual diminution of the fees of this Office for the last few years, under the Operation of the Table of Fees dated 1st March 1876, I thought that

that I should be nearer the exact figure if I estimated the receipts for 1882/3. in round numbers at Rupees 5000-0-0

In regard to the question of the falling off in the fees of this Office, I beg to refer you to Mr. Sheriff Munro's letter dated 7th December 1878, No 516, recorded in Proceedings of Government, Judicial Department dated 12th February 1879, No 209.

year, the correct amount being Rs 6,000, and it is possible that the mistake has been repeated in the column headed 1882/83. If there is no error, I beg the favour & request that you will let me know the cause of the decrease in receipts. The actuals for 1880/81 amounted, I observe, to Rs. 4705 : the average of the actuals for the three years ending with that year, is Rs. 5,287, or Rs. 287 above the anticipated receipts for the next year, assuming the figure Rs. 5000 to be correct.

I am, Sir, etc.
