1. The fixed allowance is Rupees 3000, but in the Estimate Rupees 2880 only are provided for exclusive of the deductions on account of Civil Service Annuity Fund, as per circular from the Accountant General dated 21st September 1874 No. 25.
2. The difference between the Actual and the Estimates is owing to the deduction of Rupees 2-4- from the salary of the Deputy Manager on account of his travelling batta over drawn by him as per objection statement from the Accountant General.
3. The difference of Rupees 25 bet-ween the Estimates and the Actual being attributable to the fluctuating nature of the incurrable contingent charges. Rupees 72 are provided in the Estimate for the year 1882-83 also.
4. The difference of Rupees 326 between the Estimates and the Actual is owing to the charges incurred to that extent during the year 1880-81, but Rs. 2640 are provided in the Estimate for the year 1882-83 as per instructions contained in the Government Order dated 19th
