GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

5th September 1881, No. 1651.

Allowances.

Read the following paper :—

From S. JACOB, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Chief Secretary to Government, dated Simla, 17th August 1881, *No.* 2351 [*Current No.* 2306].

Leave Allowances, &c.,—Travelling Allowance.

I am directed to acknowledge the receipt of your letter, No. 1144, dated the 9th June 1881, recommending sanction to the grant of increased batta to the peons and moochee in the Office of the Inspector-General of Prisons in Madras.

2. In reply, I am to state that the Governor-General in Council sanctions the grant to the moochee and peons in the Office of the Inspector-General of Prisons, Madras, of travelling allowances at two annas a day when travelling on public duty, subject to the general rules as to the circumstances under which travelling allowance may be drawn and to the usual restrictions of halts in excess of ten days in one place. When they are required to travel rapidly otherwise than by railway or steamer, they may be allowed their actual travelling expenses up to a maximum of one anna a mile, provided that both rates are not drawn for the same day. Their expenses for journeys by railway and for voyages by sea or in river steamers shall be regulated by the rules which are in force at the time for office establishments generally.

3. I am at the same time to inquire whether the scale of travelling allowances sanctioned in this letter would not suit the peons of other inspecting officers, such as the Surgeon-General, the Sanitary Commissioner, Inspector-General of Police, Inspector-General of Registration, Commissioner of Salt Revenue, Director of Public Instruction, Director of Revenue Settlement, Superintendent of Revenue Survey, and Inspector-General of Forests, who travel through the whole Presidency. It is essential that travelling allowance rules should be as few as possible, and in this view the Government of India are desirous to introduce a uniform scale of allowances for the same class of officers in similar offices. If the Government of Madras have no objection to the proposed scale of travelling allowances for peons of other inspecting officers in that Presidency, the names of such officers should be submitted to the Government of India for the issue of a general rule on the subject.

Copy forwarded to the Accountant-General, Madras, and to the Home Department for information.

Copy also forwarded to the other Local Governments (except Punjab) and Administrations, with a request that the Government of India may be informed whether the rates of travelling allowances mentioned in this letter would suit the peons of similar inspecting officers under those Governments and Administrations. It is to be understood that the proposed rates would be substituted for those now in force, and not be given when no allowance is at present admissible under rule. If there be no objection to the introduction of the proposed scale of allowances, the names of inspecting officers under the several Local Governments and Administrations should be forwarded to the Government of India for the issue of a general rule on the subject.

ORDER THEREON, 5th September 1881, No. 1651.

Communicated to the Inspector-General of Jails with reference to G.O., No. 1143, dated the 9th June 1881, Judicial Department.

2. The inspecting officers concerned will report whether the scale here prescribed will suit them.
