GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

1652/1

5th September 1881, No. 1652.

Local Funds—Education.

Read the following papers:—

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Officiating Chief Secretary to Government, dated Ootacamund, 27th July 1881, *No.* 249-*N* [*Current No.* 1971].

Towards the close of the last official year the President of the Local Fund Boards, North Arcot, forwarded to me a Resolution of the Chittoor Circle Board determining to raise the travelling allowance of the Additional Deputy Inspector, Palmanér Range, from Rs. 15 to Rs. 20 a-month, and to allow him in addition second-class fare for journeys by rail. A Deputy Inspector of Schools is now allowed four annas a mile for road journey, double second-class fare by rail, and a batta of one rupee per diem while away from his head-quarters on duty; and as it seemed to me that there was no difference in the nature of the work performed by this officer and by an Additional Deputy Inspector, I requested the President to bring the subject before the Local Fund Board for reconsideration, whether the rates of allowances now given to Deputy Inspectors may not be extended to Additional Deputy Inspectors. But the Board considered that the position of the Additional Deputy Inspector was not analogous to that of the Deputy Inspector, in that he "has nothing to do with the Government Schools or with Salary Grant Schools aided from Provincial Funds;" and observed that they were not prepared to incur any additional expenditure under the head of Inspection, as the pay and travelling allowances of the newly-appointed officer absorb nearly the whole of the funds set free by the abolition of the Inspecting Schoolmasters.

2. I then requested the President to inform me what the specific duties of the Additional Deputy were, and in his reply he states that the Deputy Inspector "prepares schools and examines them; and his supervision extends over the Government as well as Local Fund and Results Schools within the limit of his range."

3. It thus appears that the duties are practically the same as that of a Government Deputy Inspector, whilst his charge extends over the taluks of Gudiyátam and Palmanér, and the Punganúr, Kangundi, and Venkatagirikota Divisions; but as there are at present financial objections to assimilating the travelling allowances to Government rates, I beg to recommend that the proposals of the Local Fund Boards as contained in the President's letter of the 25th March 1881, No. 325, may be sanctioned.

4. Three original letters and an enclosure are sent up for reference.

ENCLOSURE No. 1.

From W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to the Director of Public Instruction, dated Chandragiri, 25th March 1881, No. 325.

The Inspector of Schools, Fourth Division, having, in his letter, No. 348, of the 16th ultimo, represented that the travelling allowance of the Assistant Deputy Inspector of Schools fixed by the Circle Board in their Resolution 25 passed at their meeting held on the 20th December last (communicated to you in this office letter, No. 1284, dated 22nd December 1880, and sanctioned in G.O., No. 324, dated 24th February 1881) was inadequate to cover his travelling expenses, that body have, on a reconsideration of the matter, resolved to raise it to Rs. 20 a-month. They have further agreed to pass second-class railway fare for the journeys that the Assistant Deputy may have to make by rail on duty.

2. I have the honor to request that you will be so good as to obtain the sanction of Government to the modification made in the travelling allowance of the Assistant Deputy.

3. Copy of the Circle Board's resolution on the subject of the increased allowance above referred to is herewith forwarded.
