Budget Estimate.

Read the following paper :—

From the Secretary to the Commissioner for the Uncovenanted Civil Service Examinations, dated 12th September 1881, No. 709 [Current No. 2494].

ORDER THEREON, 24th September 1881, No. 1790.

The budget estimate of receipts from fees on account of the Special Test, Middle School, and Medical Examinations amounts to Rs. 65,000 and exceeds the estimate for the current year by Rs. 5,000, the actuals in 1880-81 having been Rs. 62,294 against an estimate of Rs. 51,000. The difference is due to the increase in the number of candidates for the Middle School Examination. The estimate for 1882-83 is based on the probability of an annual increase from fees as the examination becomes better known. But the Special

the estimate for the current year. The estimate will be accepted.

2. The charges are estimated at Rs. 11,698 in excess of the grant for the current year, provision being made for the salaries of two additional clerks and the higher rate of pay of the Manager, as also for extra expenditure, by way of stipends to examiners and contingencies, involved by the transfer of the Special Upper Primary and the Higher Examination for Women to the control of the Commissioner. The charges are within the receipts, and the estimate will be accepted.

1880-81 1881-82 1882-83

Fees realized from candidates for the Special Tests, Middle School and Medical Examinations

62,294 60,000 65,000

The actual receipts for 1880-81 exceeded the Estimate of that year (Rs. 57,000) by Rs. 11,294. There will probably be an increase over the Estimate for 1881-82 and the provision for 1882-83 is based on this probability.

Fees expected to be realized in connection with the Special Upper Primary Examination and the Higher Examination for Women

3,500

These examinations have just been transferred to this office and will for the first time be held in December next. The amount entered for 1882-83 is based upon the figures obtained in the office of the Director of Public Instruction for the previous year.

The Estimate for 1882.83 is based on the expenditure of 1880.81 and the additional expenditure expected to be incurred by the transfer of the Special Upper Primary Examination and the Higher Examination for Women.                                                   |

READ the following letter from

the Secretary to the Commis-  
sioner for the U. C. S. Exami-  
nations d. 12<sup>th</sup> September 81,  
No. 709 (Current No. 2494)

Order thereon, 24<sup>th</sup> September 1881.

No. 1790.

The Budget estimates  
of receipts from fees  
on account of the Special  
Test, Middle School, and  
Medical examinations  
amounts to Rs 65,000  
and exceeds the estimate  
for the current year by  
Rs 5000, the actuals  
in 1880-81 having been  
Rs 62294 against an  
estimate

estimate of Rs 51,000 - The difference is due to <sup>the</sup> increase in the number of Candidates for the Middle School Examination. The estimate for 1882-3 is based on the probability of an annual increase from fees, as the examination becomes better known. But the Special Upper Primary and the Higher Examination for women having been transferred to this office, the fees expected to be realized are estimated at Rs 3500. The total estimate of receipts from fees is therefore Rs 68,500 against Rs 60,000, the estimate for the current year. The estimate will be accepted;
