GOVERNMENT OF MADRAS.  
FINANCIAL DEPARTMENT.

24th September 1881, No. 1794.

Budget Estimate.

Read the following paper :—

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 13th September 1881, No. 4011 [Current No. 2533].

I have the honor to submit for sanction the Budget Estimate of the Civil Engineering College for 1882-83.

2. *Actuals of 1880-81.*—The actual receipts from fees during 1880-81 amounted to Rs. 2,020, or Rs. 1,280 less than the estimated sum owing to diminished attendance. The charges for the same period aggregated Rs. 33,241, including Rs. 167 spent in repairing the College buildings, against an estimate of Rs. 39,000, and the saving accrued is chiefly due to (1) the present Principal's pay having amounted to less than the budget provision, and (2) to the employment of Mr. Bradshaw, Senior Assistant, on other duty.

3. *Regular Estimate of 1881-82—Receipts.*—The fee receipts are calculated by the Principal at Rs. 1,000, or Rs. 900 less than in the sanctioned budget, and, considering that the actuals of the first four months of the current official year have reached Rs. 416 only, the figure may be accepted.

4. *Charges.*—A saving of Rs. 2,140 is expected in the allotment for "Masters and Teachers" with reference to the employment of Mr. Kenny in Mr. Bradshaw's place. On the other hand, an increased charge of Rs. 3,180 is entered to meet the salaries of fourteen passed students who are shortly to be posted by the Public Works Department to the ranks of Apprentice Supervisors or Overseers. The total charge will be Rs. 41,980, which is slightly in excess of the sanctioned grant of Rs. 41,200.

5. *Budget Estimate of 1882-83—Receipts.*—The fee receipts are expected to yield Rs. 2,050 with reference to the anticipated increase in attendance during the ensuing year.

6. *Charges.*—For reasons stated in paragraph 4 *supra*, the entry for Apprentice Overseers is fixed at Rs. 9,800 on data obtained from the Public Works Department. The Principal has provided Rs. 500 for books and instruments, Rs. 425 for Library and Prize books, Rs. 1,353 for contingencies, and Rs. 1,200 for repairs to the College building. These sums are respectively reduced to Rs. 400, Rs. 375, Rs. 1,203, and Rs. 1,000 with reference to the actuals of 1880-81. The total charge is Rs. 45,200, which is Rs. 4,000 over and above the current year's grant. The increased provision has been rendered necessary by the debiting of the pay of Apprentice Overseers to Civil Engineering College Establishment.

ORDER THEREON, 24th September 1881, No. 1794.

The Budget Estimate of receipts of the Civil Engineering College for 1882-83 amounts to Rs. 2,050 against Rs. 1,900, the Budget Estimate for the current year. The excess is due to an anticipated increase in attendance during the ensuing year. The actuals in 1880-81, though less than the estimate for that year, reached very nearly the amount of the estimate for 1882-83, which will be accepted.
