GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

Budget Estimates.

Read the following paper :—

From J. G. FERRAND, Esq., Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 14th September 1881, No. 583 [Current No. 2525].

In submitting, for the sanction of Government, a Supplemental Civil Estimate for the year ending 31st March 1882, I beg to explain that it is necessary under the following circumstances :—

- I. The first item in the estimate, viz., godown rent from July 1881 to 31st March 1882, at Rs. 100 per mensem, for the temporary store-room of this office, sanctioned in G.O., 19th July 1881, No. 1320,
The second item for the purchase of tar to cover the skids and the bottoms of the racks and for other precautions against the ravages of white-ants in the said room,
And the last item, the cost of removing the stationery from the permanent to the temporary store-room, properly arranging it there and of putting up racks in the temporary store-room, which was destitute of any such convenience for putting articles on—
all represent expenditure occasioned by having to vacate the permanent store-room in consequence of the plans for the building of the Post and Telegraph Offices which was not foreseen; and I submit that, as this office is not responsible for the expenditure in question, the amount that may be actually incurred on these accounts should be charged against the Post and Telegraph Offices in like manner with the extra expenditure for building so ordered to be charged in Public Works G.O., 21st March 1881, No. 770 W.
- II. The remaining item is for the allotment for the local purchase under contract of Europe articles, agreeably to G.Os., 12th February and 28th May 1881, Nos. 267 and 955, applied for in my letter, 15th ultimo, No. 450.
2. The statement made in paragraph 3 of letter from this office, 15th July 1881, No. 323, that the charge for the rent of the premises in Popham's Broadway could be met from savings in the Budget was, I regret to say, erroneous.

ORDER THEREON, 29th September 1881, No. 1827.

The Supplemental Estimate for 1881-82 now submitted contains an item of Rs. 2,40,000, required in addition to the current year's grant, for the local purchase of Europe articles, for which contracts have already been entered into. The transfer of this sum from the amount provided in the Civil Estimate on the Home Government for stationery stores required from England has been sanctioned in G.O., No. 1619, of 1st September 1881.

2. The first item (Rs. 830) for the rent of a temporary store-room was sanctioned in G.O., No. 1320, dated 19th July 1881. This together with the second and fourth items are for charges connected with the temporary removal from the permanent store-room in consequence of an error in the plans for building the new Post and Telegraph Offices. The additional charge which amounts to Rs. 1,160 will be sanctioned against general Provincial savings, in case there are no funds to meet it from the Stationery Budget grant.

Sir,

In submitting for the sanction of Government a Supplemental Civil Estimate for the year ending 31st March 1882, I beg to explain that it is necessary under the following circumstances:—

I The first item in the Estimate, viz Godown rent from July 1881 to 31st March 1882 at Rupees 100 per mensem for the temporary Store room of this office, sanctioned in L.O. 19th July 1881 No. 1320.

The second item, for the purchase of tar to cover the skids and the bottoms of the racks and for other precautions against the ravages of white ants in the said room,

And the last item, the cost of removing the stationery from the permanent to the temporary store room, properly arranging it there and of putting up racks in the temporary store room, which was destitute of

of any such convenience for putting articles on,
all represent expenditure occasioned
by having to vacate the permanent store
room in consequence of the plans for the
building of the Post and Telegraph Office
which was not foreseen; and I submit
that as this office is not responsible for
the expenditure in question, the amount
that may be actually incurred on these
accounts should be charged against the
Post and Telegraph Office in like manner
with the extra expenditure for building so
ordered to be charged in Public Works G.C.
21st March 1881, £2470 W.

II The remaining item is for the
allotment for the local purchase under
contract of Europe articles agreeably to
G.C. 12th February and 28th May 1877,
£2267 and 955, applied for in my
letter 15th ultimo N. 450.

2. The statement made in paragraph 3
of letter from this office 15th July 1877 N. 323,
that the charge for the rent of the premises
in Poplar's Broadway could be met from
savings in the Budget was, I regret to say,
erroneous.
