GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

29th September 1881, No. 1830.

Budget Estimates.

Read the following paper:—

From Surgeon-General W. R. CORNISH, F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Ootacamund, 14th September 1881, No. 262 [Current No. 2524].

I have the honor to forward, for submission to the Honorable the Governor in Council, the Imperial Civil Budget Estimate of the Medical Department for 1882-83.

2. The subjoined abstract contrasts the estimated charges for 1882-83 with the sanctioned grant for the current year, and with the approximate expenditure in 1880-81 as furnished by the Accountant-General:—

Number.		Abstract of Establishment.	Budget Estimate, 1882-83.	Budget Estimate, 1881-82.	Approximate Expenditure, 1880-81.

4	4	Honorary Surgeons	21,600	21,600	21,912	6 0
		Deduct amount not sanctioned.	..	3,50,200 10,200		
		Total ..	3,59,165	3,40,000	3,29,787	3 0

3. Explanation as to increase and decrease in each district is afforded in the remark column of the Budget Estimate. The chief cause of the increased estimate is that there are more Surgeons-Major attached to the Civil Department than in 1881-82, these officers being about to return to their appointments from furlough.

ORDER THEREON, 29th September 1881, No. 1830.

The Surgeon-General estimates the charges of the "Medical Establishment, Imperial," for 1882-83 at Rs. 19,165 more than the grant for the current year.

The difference is explained to be due to the increase in the number of Surgeons-Major; and there is, therefore, an excess in the provision for Brigade Surgeons and Surgeons-Major, and a decrease in that for Surgeons. The actuals in 1880-81 did not exceed Rs. 3,29,787.

2. The estimate will, however, be passed in round numbers for Rs. 3,50,000.
