GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

29th September 1881, No. 1831.

Local Funds—Medical.

Read the following papers :—

From G. McWATTERS, Esq., Acting District Magistrate of Malabar, to the Chief Secretary to Government, dated Calicut, 23rd August 1881, No. 3044 [Current No. 1762].

I have the honor to bring to the notice of Government that in only three out of the five Dispensaries noted below do Government contribute anything towards the pay of the Medical Officers in charge. Ponáni and Badagara are Taluk Cusba Stations where equally, as at Manjeri, Vayitri, and Manantoddy, Government officials derive or can derive benefit from the Medical Establishments there (*vide* paragraph 2 of G.O., Judicial Department, 20th July 1881, No. 1432) :—

	Local Funds.	Imperial Funds.	Total.

3. Vayitri	37 8 0	37 8 0	75 0 0	
4. Manantoddy ..	50 0 0	150 0 0	200 0 0	
5. Badagara	50 0 0		50 0 0	
				Rs. 50 pay; 25 rupees Wynaad allowance.

2. I beg therefore to recommend that 25 per cent. of the pay of the Medical Officers at Ponáni and Badagara may be sanctioned from Imperial Funds.

3. I make the recommendation chiefly on the ground of economy to Government, but I believe at the same time that the system of paying Local Fund officers fees for doing Government work is liable to great abuse.

4. In the following statement is entered the fees which the Ponáni Hospital Assistant received from January to June this year for post-mortem certificates, &c., and for whipping fees. The total comes to 193 rupees or more than 30 rupees a-month, whereas 25 per cent. of the Hospital Assistant's pay would be only 15 rupees :—
