GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

1st October 1881, No. 1858.

Budget Estimate.

Read the following paper :—

*From the Superintendent of Stationery, Madras, dated 13th September 1881, No. 580
[Current No. 2514].*

ORDER THEREON, 1st October 1881, No. 1858.

The Budget Estimates of receipts and charges of the Stationery Depôt for 1882-83 amount to Rs. 18,900 and Rs. 1,27,300 against Rs. 12,200 and Rs. 1,42,000 for 1881-82, respectively.

			RS.	
	Actuals	{	1878-79	6,481
			1879-80	10,086
			1880-81	18,923
			1881-82	12,200
	Estimates	{	1882-83	18,900

2. The receipts are estimated at Rs. 6,700 more than those for the current year, but slightly below the actuals of 1880-81. As Local Fund Boards now pay for the stationery supplied to them, the estimate may be expected to be realized, and will be accepted.

			RS.	
	Actuals	{	1878-79	1,41,344
			1879-80	1,36,521
			1880-81	1,40,162
			1881-82	1,42,000
	Estimates	{	1882-83	1,27,300

3. The charges are estimated at Rs. 1,27,300, or Rs. 14,700 less than for the current year. The decrease is chiefly under "Local purchase of Stationery," "Railway fares," and "Boat-hire for landing stationery." The current year's provision for the local purchase of stationery has since been supplemented by Rs. 2,40,000, transferred from the provision for the purchase of stationery from England. The provision for 1882-83 has, however, been reduced with reference to recent rulings of the Government of India that no articles other than those of Indian manufacture should be purchased in the local market.

G.O., dated 1st September 1881, No. 1619.

Deducting a sum of Rs. 27,333 (the cost of Badami paper for printing Census reports) which formed a charge against the Census Budget grant, the actuals in 1880-81 amounted to Rs. 1,40,162, or Rs. 12,862 more than the present estimate, which will be accepted.

4. The cost of stationery expected from England is estimated at Rs. 3,38,959 against Rs. 3,89,810, the current year's estimate, which has subsequently been reduced in consequence of the transfer above noticed.

5. The estimate for wooden inkstands, rules, and flats, to be procured from the Gun Carriage Factory, amounts to Rs. 1,799 against Rs. 1,830 for the current year.

6. The attention of the Superintendent will again be drawn to the omission of any estimate for works of petty construction and repair.
