GOVERNMENT OF MADRAS.

Travelling Allowances.

Read the following :—

Sixth Edition of the Simla Rules.

From S. JACOB, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Chief Secretary to Government, dated Simla, 28th September 1881, No. 3283 [Current No. 2715].

With reference to your letter, No. 1623, dated 1st September 1881, I am directed to express a hope, now that the Sixth Edition of the Simla Allowances Rules has issued, and copies have been supplied to the Government of Madras, that the Rules for Ootacamund Allowances may be submitted to the Government of India as early as may be convenient.

ORDER THEREON, 13th October 1881, No. 1987.

Ordered that a copy of the rules altered to suit the circumstances of this Presidency be sent to the Government of India with the following letter.

(Signed) R. DAVIDSON,
Chief Secretary.

To the Secretary to the Government of India, Department of Finance and Commerce, dated Ootacamund, 13th October 1881, No. 1988.

With reference to your letter of the 28th September last, No. 3283, and to the Sixth Edition of the "Simla Allowance" Rules, which reached this Government on the 30th idem, I am directed to enclose a copy of the rules altered to suit the circumstances of this Presidency.

Paragraph 1.—All officers not on the Governor's personal staff or in the Secretariat have been excluded. It is considered that the ordinary rules provide sufficiently for the occasional attendance on the Government of other officers.

Paragraph 2.—The latter clause is considered unnecessary in Madras.

Paragraph 4.—The table has been somewhat modified; the aggregate charge admissible, as shown in the last column, explains their actual effect, which appears to be in general accordance with the original scale.

Paragraph 19.—The same remarks apply to the latter part of this paragraph as paragraph 2.

Paragraphs 20, 21 (c), 23 (ii) (iii).—No allowances are drawn in this Presidency except while the Government have their head-quarters at Ootacamund.

Paragraph 24.—The provisions of this are inapplicable to Madras.

Paragraphs 29 to 31.—The Government propose to slightly modify these paragraphs. This Presidency is more expensive than Bengal, and it is believed that the necessities of life are dearer at Ootacamund than at Simla; but however this may be, the Government are convinced that it will not be possible, without hardship to their

1987-88
2

attendants, to restrict their hill-allowances to one-third of their pay—generally from 6 to 8 rupees monthly. The allowance of Rs. 5 probably approximates the sum that would be drawn under paragraphs 29 and 30 of the Simla Rules.

Paragraph 36.—No Government Press establishment is brought to Ootacamund.

Appendix A-II 4 and III.—These powers, which there would seldom be occasion to use, may, it is thought, be vested in the Local Government.

2. The Honorable the Governor in Council does not propose any further alterations, and if the Government of India accept those suggested for this Presidency, the rules will be at once issued to have effect from the season of 1882.

3. I am to request that the copy of the rules now sent may be returned with the orders of the Government of India thereon.

Chief Secretary.

ON THE GOVERNOR GENERAL ON TOUR.
(RESOLUTIONS OF THE GOVERNMENT OF INDIA IN THE DEPARTMENT OF FINANCE AND
COMMERCE, No. 680, DATED 19th MAY 1881; No. 830, DATED 27th MAY 1881; No. 648, DATED

GOVERNMENT OF INDIA.

DEPARTMENT OF FINANCE AND COMMERCE.

Simla, the 16th September 1881.

*Code of Rules regarding Allowances to Public Officers
required to accompany the Head-quarters of the
Government of India to and from Simla.*

[N.B.—From this date, no former Edition or Rules should be quoted.
The Rules in this Code are liable to alteration, should such a course be deemed
necessary, in consequence of changes in the circumstances of the yearly move to
Hill Stations or other Sanitaria, and the conditions of residence there.]

I.—PRELIMINARY.

[NOTES.—(1) In these Rules—

“Pay” means substantive monthly Pay; “Salary” means the sum of Pay and Acting Allowance or Charge Allowance,* but does not include remuneration for the performance of a special duty.

“Clerk” means an Officer on a Ministerial Establishment not being an Inferior Servant.

“Inferior Servant” means an Officer whose service does not count as Superior under the Rules in the Civil Pension Code.

“Family” in Parts III and V includes the Officer's wife, his legitimate children residing with, and wholly dependent on, him; and also his parents, sisters, and minor brothers if wholly dependent on, and residing with, him.

(2) These Rules do not apply to Officers diverging from the direct route in attendance on His Excellency the Viceroy on tour. The bill of an Officer entitled on such occasions to charge his actual travelling expense will be passed on the certificate contained in Appendix A, Rule 2.

(3) For the purposes of Rules 16 and 27, a child boarding at a school at Simla, approved by the Head of the Office, is to be considered as “residing with” the clerk. A claim to allowances on this ground must be supported by a certificate signed by the Head of the School to the effect that the child has been a boarder in the school and, in respect of claim to allowance under Rule 16, for the period for which the allowance is claimed.

* The Deputation Allowance authorised in Part VIII is not treated as a Charge Allowance.

1. Allowances are made to the following Officers and their establishments:—

Ordinary and Additional* Members of Council; Public, Private,† and Military Secretaries; Officers on the Personal Staff of His Excellency the Viceroy and Governor General, and the servants of the Viceregal establishment paid from public funds, subject to any special orders to the contrary which may be issued by His Excellency; Surgeon-General with the Government of India; Sanitary Commissioner with the Government of India; Meteorological Reporter; Accountants General, Public Works and Military Departments; Consulting Engineer for State Railways; Inspector General of Ordnance; and Commissary General.

[NOTES.—(1) The general Rules in this Code do not apply to the Government Press establishments at Simla. The Rules in Part IX only apply to them.]

(2) Arrangements should be carefully made to avoid moving to Simla larger establishments than are absolutely necessary. As far also as is compatible with the efficiency of the Offices, Clerks without families should be selected to accompany the Government to Simla. Of inferior servants, as few as possible should be taken backwards and forwards; as it is cheaper to employ such, for the Season only, at Simla and Calcutta.]

2. An Officer residing at Simla may draw his salary and the allowances admissible under these Rules either at Simla or at Calcutta, or partly at Simla and partly at Calcutta. An Officer residing at Calcutta may draw part or the whole of his salary at Simla in anticipation of the removal thither of the Government.

[NOTE.—Last-pay certificate is not required to enable salary to be drawn under this Rule.]

II.—TRAVELLING ALLOWANCE.

3. Officers are divided into six Classes—

First.—Officers whose salary exceeds Rs. 1,500.

Second.—Other Officers above the grade of Clerks, and Clerks whose salary is not less than Rs. 400.

Third.—Clerks whose salary is less than Rs. 400 but not less than Rs. 50.

Fourth.—Other Clerks.

Fifth.—Inferior Servants whose salary is not less than Rs. 10.

Sixth.—Other Inferior Servants.

* An Additional Member does not accompany the Government of India to Simla, unless at the Governor General's special invitation, and when there is some specific work for him to do.

† The allowances to the establishment of the Private Secretary are paid from the Viceroy's Household Allowance and from the annual grant for the Viceroy's tour expenses.

4. Travelling expenses may be charged according to the following Scale:—

	For the Officer himself.	For his wife, and for each child residing with, and wholly dependent on, him, not less than twelve years old.	For each child less than twelve, but not less than three years old.	Aggregate travelling allowances for the officer himself and his family not to exceed for each journey.
First class ...	Double 1st class fare by railway and 8 annas a mile by road.*	Rs. Nil	Rs. Nil	Rs. Nil
Second class ...	Ditto	150	75	225
Third class ...	Double 2nd class fare by railway and Rs. 40 for the entire journey by road each way.†	115	55	170
Fourth class ...	A fixed sum of Rs. 100 for each journey.†	100	50	150
Fifth class; a fixed sum of ...	Do. 80†	Nil	Nil	80
Sixth class; ditto ...	Do. 30†	Nil	Nil	30

5. An Officer who is unmarried or a widower, having a mother or an adult sister wholly dependent on him and of his family as for a wife.

* Under present arrangements, the charges on account of personal travelling expenses for 1st, 2nd and 3rd class officers each way between Calcutta and Simla are as follows:—

	1st or 2nd class officers.	3rd class officers.
For the journey by Railway	Rs. A. P.	Rs. A. P.

† A. B., a Clerk, having, after arrival at Simla, obtained leave on medical certificate to go to sea, his actual personal travelling expenses to Calcutta and back to Simla were granted. These expenses were to be carefully limited to what was absolutely necessary, not exceeding the amount admissible to A. B. under these Rules.

It was also declared that, in the event of A. B.'s being permitted to rejoin the Office at Calcutta after the end of his leave, any Officer brought up from Calcutta to supply his place in the Simla Office was entitled to travelling and other allowances under these Rules.—(No. 1310, 30th June 1876.)

A claim to travelling allowance in behalf of an Officer (a Clerk), who left Simla on privilege leave with permission to rejoin the Office at Calcutta, was negatived on the ground that the Officer's leave expired long before the Headquarters were established at Calcutta.—(See Rule 21 (b).) (No. 3022, 17th December 1875.)

‡ An Ordinary Member of Council may distribute among the staff of messengers in his service, at his discretion, the aggregate amount due to them on account of travelling allowance.

6. A Military Officer on the personal staff of the Viceroy may charge for the conveyance of his horses according to his rank under the general Rules in force for Military Officers.

7. If an Officer for any reason (*e.g.*, by reason of travelling in a special train) does not pay his own personal travelling expenses, including the cost of conveyance of baggage and personal attendants, the amount of his allowances admissible under the Rules in this Code must be reduced to the extent of the expenses which he would otherwise necessarily have incurred on such account.

8. An Officer of the Fifth or Sixth Class ordered, for public reasons, to travel by a train containing no third class accommodation, may draw, under the countersignature of the Registrar or Chief Clerk of his Office, in addition to his fixed allowance, the difference between intermediate class and third class fare for the distance so travelled.

9. A certificate in one or other of the following forms must be attached to the bill for travelling allowances of an Officer of the First or Second Class:—

(1) *I certify that I travelled on this journey by the first class in the Railway.*

or

(2) *I certify that I paid in Railway fares for myself, my servants, and my personal luggage, or (as the case may be) for myself, my family, my servants and my personal luggage, the amount charged in this bill, the charge not being in excess of what I would be entitled to draw if I had travelled by the first class in the Railway.*

No such certificate is required from an Officer of any other class.

10. A certificate as follows must also be appended to the bill of an Officer who charges Travelling Allowances for his family:—

The following members of my family made this journey:—

My wife (or my mother or adult sister residing with me, and wholly dependent on me).

child not less than twelve years old, residing with me, and wholly dependent on me.

child less than twelve years, but not less than three years old.

(Signed) A. B.

[NOTE.—This certificate must, in the case of a Clerk other than a Registrar or Chief Clerk, be countersigned by the Registrar or Chief Clerk.]

11. The widow, mother, adult sister, or eldest motherless child, of an Officer dying at Simla, for the expenses of whose journey to Calcutta the Officer, if he had lived, would have been entitled to charge under these Rules, may charge her or his travelling expenses to Calcutta at the rate which would have applied to the deceased Officer personally. For other members of the family of the deceased Officer, for whose travelling expenses he would have been entitled to charge, the usual rates may be charged.

12. If an Officer, or any member of his family entitled to travelling expenses, proceeds to Simla from any place other than Calcutta, or proceeds from Simla to any place other than Calcutta, his or her travelling expenses may be charged: provided that no higher charge can be admitted than would have been admitted had the journey been made from or to Calcutta direct.*

13. If an Officer makes a journey on public duty on the occasion of the movement of the Government of India to or from Calcutta or Simla, instead of accompanying the head-quarters of the Government, he may, if his family proceeds to Calcutta or Simla (as the case may be) charge the travelling allowances admissible under Rules 4 and 5 for his family.

14. An Officer who is absent on privilege leave when the Head-quarters of the Government of India are moved to or from Simla, or who takes privilege leave during the move, and is permitted to rejoin his appointment at Simla or Calcutta, as the case may be,

* This Rule is not intended to provide travelling allowances for a member of an Officer's family making the journey otherwise than with the Head-quarters of the Government of India, or about the time of the move of the head-quarters of the Government of India. In this view, an Officer's claim to travelling allowance on account of his wife proceeding from Simla to Bombay six weeks before the breaking up of the head-quarters of the Government of India to Simla, was negatived.—(Financial Resolution No. 2916, dated 13th December 1875.)

1987-88

may, if his *locum tenens* has not received travelling allowance, draw after his return to duty the travelling allowance which he would have received if he had accompanied the Government on its removal.

III.—MAINTENANCE ALLOWANCES.

Special Maintenance Allowance.

15. A Special Maintenance Allowance is granted to each Clerk at the rates shown in column 3 of the Schedule.

16. A Clerk whose family is residing with him at Simla may draw Special Maintenance Allowance at double those rates.

Family Maintenance Allowance.

17. If a married Clerk, or a Clerk who, though unmarried or a widower, has a family entirely dependent upon him, is compelled, in consequence of his proceeding with the Head-quarters of the Government from Calcutta to Simla or from Simla to Calcutta, to maintain an additional domestic establishment for himself or them, which he would not otherwise have maintained, he may draw a Family Maintenance Allowance at the rates shown in column 2 of the Schedule.

18. Provided that no Clerk who has charged on account of any member of his family Travelling Allowance under Rule 4 or 5 may draw Family Maintenance Allowance; and no Clerk may, at the same time, draw double Special Maintenance Allowance under Rule 16, and Family Maintenance Allowance under Rule 17. The allowances of an Officer who takes part of his family to Simla and leaves part in Calcutta, or *vice versa*, are regulated at the Officer's option, with respect to the former, ignoring the latter, or, with respect to the latter, ignoring the former.

19. Family Maintenance Allowance may not be drawn without the special orders of the Head of the Office to which the Clerk belongs, who will satisfy himself that

the allowance is properly due. The orders of the Head of the Office are to be passed upon a written statement* by the Clerk of the precise circumstances under which he claims the Allowance; and the written statement, and the order upon it, must be repeated each Season, and be attached to the first bill of the Season presented for Family Maintenance Allowance. Family Maintenance Allowance should not be granted to an Officer accompanying the Government from Simla to Calcutta, unless it has been officially announced that the Government of India will return to Simla in the following Season, and there is a strong probability that the Officer will accompany it. If, either in consequence of the Government not moving to Simla the following Season, or of the Officer not being ordered to accompany it, it should be, ultimately, necessary for him to bring his Family down to Calcutta, he may charge their travelling expenses under Rules 4 and 5, but must refund the Family Maintenance Allowance drawn for any period after the departure of the Government from Simla.

20. Subject to the proviso in Rule 18, the Maintenance Allowances admissible under Rules 15, 16, and 17 may be drawn for the period of residence at Simla or Calcutta, as the case may be, and for one week before and after. This claim to allowances for one week before and after the period of residence at Simla or Calcutta is not affected by reason of an Officer's being entitled to draw during the same periods any Tour Allowance for proceeding on tour from Calcutta or from Simla, instead of accompanying the Head-quarters of the Government of India.

[NOTE.—The date of arrival at Simla or Calcutta is included in "Residence," but not the date of leaving Simla or Calcutta.]

21. (a) A Clerk on sick leave, if not permitted to rejoin his family, may, if his substitute is not entitled to the allowances prescribed in Rules 15 or 16 and 17, and if no extra expense is caused to the Government, draw them in full during his sick leave.

* No charge for Family Maintenance Allowance should be passed without the written statement and the order upon it prescribed in this Rule.—(Letter to Comptroller General, No. 4505, dated 16th December 1872.)

1987-88
7

(b) A Clerk on privilege leave, if permitted to re-join Office, on the expiry of his leave, at Calcutta or Simla, as the case may be, simultaneously with, or after, the arrival there of the Head-quarters of the Government of India, may draw these allowances for seven days of his leave.

(c) If a Clerk obtains privilege leave while in Simla or Calcutta, as the case may be, and rejoins in Simla or Calcutta as the case may be, he may draw these allowances for the period of his absence, provided they have not to be paid to a substitute.*

22. Section-writers paid at ordinary Section rates, and temporary Clerks whose pay is fixed at Calcutta rates, may, if ordered to accompany the Government of India from Calcutta or Simla, draw Maintenance Allowances under Rules 15 or 16 and 17. But if the remuneration of such Officers is fixed upon the understanding that their work will be done at Simla, Maintenance Allowances are not admissible to them. No Officer engaged, in Simla or elsewhere than in Calcutta, for temporary duty at Simla, is entitled to any allowance except his salary.

IV.—EDUCATION ALLOWANCE.

23. A Clerk who, on proceeding to Calcutta or Simla, places at a school approved by the Head of the Office any child not less than seven years old for the purpose of education may, if he is not in receipt of Family Maintenance Allowance under Rules 17 and 18, receive an Education Allowance equal in amount to the travelling allowance which would have been admissible to him on account of the child under Rule 4

* In reply to your letter No. 787-S, dated 10th August 1880, I am directed to say that upon the grant of privilege leave to A. B., 1st class clerk in this Office, who accompanied the Government of India to Simla, acting promotions were given to two clerks in the Office which involved the grant to each of these clerks of Simla allowance at the rate of Rs. 10 a month in excess of the allowance admissible upon his substantive position. A portion only of his Simla allowance of Rs. 125 a month, and not the whole amount of the allowance, having thus had to be paid to officers temporarily promoted in consequence of his absence, it is within the meaning of Rule 21 (c) of the Simla Allowances Code to allow to A. B. the benefit of the residue, or Rs. 105 a month, I am accordingly to request that you will withdraw the retrenchment referred to in your letter.—(Letter to Comptroller General, No. 2431, dated 25th August 1880.)

1987-88
8

if the child had accompanied him to Calcutta or Simla (as the case may be): Provided always—

- (i) that this allowance *plus* the Travelling Allowance actually drawn shall not exceed the maximum Travelling Allowance admissible to the Clerk;
- (ii) that the allowance shall not be paid until the Officer has returned to Simla or Calcutta (as the case may be) after the expiry of his duty with the Government of India at Calcutta or Simla (as the case may be);
- (iii) that the Officer's claim to the allowance is supported by a certificate signed by the head of the school to the effect that the child has been borne on the rolls of such school during the whole term of the Officer's absence with the Government of India at Simla or Calcutta (as the case may be), and has during such time either boarded with one of the masters of such school or attended at such school at least three-fourths of the days on which the school was open.

[N.B.—If a school has two periods of attendance on each day, an attendance at only one period counts as only half a day's attendance.]

V.—HOUSE RENT AT SIMLA.

24. Any of the undermentioned Officers, who held office on the 16th March 1870, is entitled to an allowance of six hundred rupees as House-rent for the Season if he have a wife, or a mother, or adult sister wholly dependent on him, residing with him at Simla:—

Under-Secretary.

Inspector General of Forests.

25. An Officer, not being an Accountant in the Public Works Department, who would be entitled, in virtue of his office, to Presidency House-rent, if his headquarters were in Calcutta, may draw Presidency House-rent.

[NOTE.—Presidency Allowance is not continued during absence from Calcutta.]

How does the rule operate?

This applies specially to Officers of the P.W.D. who under former Calcutta rules have been entitled to P.W.D. House-rent.

26. An Aide-de-Camp to the Viceroy, if not provided with accommodation at the public charge, may draw the Presidency house-rent of his rank during his absence from Calcutta.

27. Clerks not provided with free-quarters are entitled to an allowance for House-rent at the rates specified in the Schedule. If their family reside with them at Simla, and they do not receive Family Maintenance Allowance, they are entitled to twice the said allowance.

28. But if the Officer arrives at Simla on or after August 1st, he will receive only half these rates.

[NOTE.—No Clerk has any claim to free-quarters, and the Government does not undertake to bear the entire expenditure of the Officer for House-rent; but only to give assistance towards it.]

VI.—ALLOWANCES TO INFERIOR SERVANTS.

29. Inferior Servants are entitled to an extra allowance equal to one-third of their salary for the period of their stay at Simla, and for the period actually occupied in their journey between Calcutta and Simla: provided always that not more than seven days shall be allowed for the journey; and provided also that the allowance during the journey is not drawn in addition to any other allowance to which a Servant may be entitled by reason of his proceeding on tour on public duty from Calcutta.

30. An Inferior Servant whose salary does not exceed Rs. 12 draws, while actually at Simla, besides the allowance prescribed in Rule 29, a special allowance of Re. 1 a month.

31. (a) Messengers who are not in personal attendance on a Member of Council, Secretary, Deputy Secretary, Under Secretary or Assistant Secretary, and other Inferior Servants, receive a suit of country woollen cloth, costing not more than Rs. 7½ yearly, or Rs. 15 every second year.

(b) Every Inferior Servant receives, once a year, either a blanket costing not more than Rs. 2½, or an allowance of Rs. 2½.

VII.—ADVANCES OF PAY, &c.

32. Advances to Officers proceeding to or from Simla are regulated as follows:—

(a) The advance of the salary or travelling allowance of a gazetted officer requires the written

sanction of the Government in the Department to which he belongs.

(b) The salary and other allowances of a Clerk or Inferior Servant for the month in which he leaves Calcutta or Simla, as the case may be; and his travelling allowance may be advanced by, or on the countersignature of, the Head of the Office.

33. Advances of salary and allowances must be adjusted on the next pay bill, and advances of travelling allowance by bills within one week after the Officer's arrival at his destination. Meanwhile, they will be held under Advances Recoverable.

VIII.—DEPUTATION ALLOWANCES.

34. A Deputy Secretary officiating as Secretary at the Presidency in several Departments, during the absence of the Head-quarters, receives a Deputation Allowance of Rs. 500 a month, and an Assistant Secretary officiating as Deputy Secretary receives a Deputation Allowance of Rs. 150 a month.

35. A Clerk officiating as Registrar or Chief Clerk at Simla in the place of a Registrar or Chief Clerk remaining in Calcutta on duty receives, while actually on duty at Simla, a Deputation Allowance of Rs. 80 a month.

IX.—GOVERNMENT PRESS ESTABLISHMENT, INCLUDING THE PRIVATE SECRETARY'S PRESS AND ALL PRESS ESTABLISHMENTS OF THE GOVERNMENT OF INDIA AT SIMLA.

36. (a) An Officer employed in the Press Establishment at Simla receives, during his absence from Calcutta, free quarters and a consolidated salary.

Travelling Allowance is given as follows for each journey:—

Superintendent, Central Branch Press:—under Rules 4 and 5.
Any other Superintendent, Examiners, Foremen (or Section-holders) and Clerks; (a) whose salary is not less

than Rs. 100 :—Rs. 140 for each journey; (b) whose salary is less than Rs. 100 but not less than Rs. 50 :—Rs. 100 for each journey.

With the sanction of the Department of Finance, Deputation Allowance to a Clerk officiating as Registrar or Chief Clerk in the Office on tour, and to others in the office establishment who may have been detached to perform extra work, may be given according to circumstances.

FOR ORDERS.

With suggestion that
a copy of the rules as altered
in red ink be submitted to
the Government of India for
approval with remarks in the
sense of the following explanatory
notes: -

Para. 1 All officers excepting
those on the Governor's personal
staff or in the Secretariat have
been excluded. [Query - Should
the footnote* be retained?]

See my notes on this
& the Rules.

L.R.

Para. 2. The latter clause is not necessary; nor is the note.

Para 4. The figures in the table have been modified to suit the journey to and from Cota Camund.

[The sums in columns 3, 4 are arrived at as follows:—

Rs 158 = double first class fare by railway and 34 miles by road at 8 annas a mile for wife & one child at full fare.

Rs 79 = ditto, for two children at half fares

Rs 69.4 = double 2nd class fare by railway and 34 miles by road at 5 annas a mile for wife and one child at full fare.

Rs 34.10 = ditto for two children at half fares.]

Para. 19 The latter part has been omitted as unnecessary and

See the heading of the Col. with reference to the State? to attach to margin

Anter return. It might possibly become applicable

It might be as Madras generally is more expensive than Bengal. It should be stated

It is not in the Rs. 5. as it probably applies to the 29th & 30th rules together

31. as it goes too far or kind of modification. "Any distant localities on the hills" is beyond the power of the rules

and one which will not be applicable in Madras. See note to para 20. 1987-88 14

Para 20. Here the Government of India regard Simla and Calcutta as on the same footing. In this Presidency no allowances of any description are drawn except while the Government are on the hills.

Para. 21. (C) ditto

Para. 23. (ii) (iii) ditto

Para. 24. Inapplicable to Madras.

Para. 26 Envy. Should this be omitted?

Paras: 29-31 Cota Camund is probably more expensive than Simla, and it will not be possible without hardship to the persons to cut down their allowances to one third of their pay.

Probably the attendants taken to Simla enjoy better pay than the Madras persons. Paragraph 31 as it now stands is based on the

the existing rulings in the Public Works Code (Section no 882).

Para: 34. Attention is requested to the alteration. The Under Secretary in charge at Madras has generally little extra work except signing, and it may be found inconvenient to allow the amount named by the Government of India to stand.

Para: 36. No press establishment comes up to Coimbatore.

Appendix A. II. 4, and III. These powers should be vested in the Local Government, it is thought; they would not be often used.

I think the para might be omitted altogether.

Sixth Edition of the 'Simla Allowance' rules which reached this Government on the 30th idem, I am directed to enclose a copy of the rules altered to suit the circumstances of this Presidency.

Paragraph 1 All officers not on the Governor's personal staff or in the Secretariat have been excluded. It is incident that the ordinary rules provide supply for the occasional attendance on the Govt. of the Officer

Paragraph 2. The latter clause is considered unnecessary in Madras.

Paragraph 4. The table has been somewhat modified; the alterations explain them. ~~the alterations explain them.~~ ~~and appears to be in~~ general accordance with the original scale.

Paragraph 19 The same remarks apply to the latter part of this paragraph as ^{to} para 2.

Paragraphs 20, 21(c), 23(ii)(iii).
No.

It is incident that the ordinary rules provide supply for the occasional attendance on the Govt. of the Officer

the aggregate charge admissible as shown in the last column, explains the actual effect. B.

Stipends Para 5 shd be retained.

Is it the best for the and absolutely at Rs 5? If this is not done it seems necessary to add "as may be decided by Govt" or something similar. I am not sure how it is proposed to graduate or settle it in Madras. Mr

No allowances are drawn in this Presidency except while the Government have their head quarters at Cotacamund. Paragraph 24. The provisions of this are inapplicable to Madras.

Paragraphs 29-31. The Government have ^{purpose} resolved on slightly modifying these paragraphs. This Presidency is more expensive than Bengal, and it is believed that the necessities of life are dearer at Cotacamund than at Simla; but however that may be, the Government are confident that it will not be possible without hardship to their attendants to ^{restrict} reduce their hill-allowances to one-third of their pay generally from six to eight rupees monthly. The allowance of Rs 5 probably approximates the sum to be ^{that would be}

Gobt. of {188 } Madras.

Drawn under paragraphs
29 and 30 of the Simla rules.

Paragraph 36. No government
press establishment is brought
to Cotacumund.

Appendix A II 4, and III.

These powers, which there would
seldom be occasion to use, might,
it is thought, be vested
in the Local Government.

The Hon'ble the Governor
in Council does not propose
any further alterations, and if the
Government of India accept
those suggested, the Rules will
be at once issued, to have
effect from the season of
1882.

I am to request
that the copy of
the rules now sent
may be returned with
the order of the Govt
of India thereon.
