GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

20th October 1881, No. 2032.

Budget Estimate.

Read the following paper:—

From Colonel C. S. HEARN, C.I.E., Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 29th September 1881, No. 5414 [Current No. 2708].

I have the honor to forward the Budget Estimate of the Madras Police (*Provincial Services*) for the year 1882-83.

2. The receipts are estimated at Rs. 3,14,892. Contributions from the Mofussil Municipalities represent Rs. 1,44,860, and a sum of Rs. 81,587 is taken credit for on account of the Madras City Police. It is not certain that this demand will be pressed by Government and met by the Madras Municipality, who are temporarily exempted from payment, *vide* Order of Government, dated 25th January 1881, Financial Department, No. 126. The receipts under the other heads have been calculated on the average of the past three years' actuals.

3. The estimated expenditure amounts to Rs. 38,38,140 for 1882-83 against Rs. 38,76,555 in 1881-82, showing a net decrease of Rs. 38,415 as particularised in the margin.

(1) *Rural Executive*.—The large decrease under this head is chiefly due to the reductions ordered by the Special Commissioner in Ganjam and Jeypore Districts and to the withholding of sanction for Reserves in the Northern Districts granted in G.O., No. 1765, dated 23rd July 1880, Judicial Department, *vide* Proceedings of the Special Commissioner recorded in G.O., No. 1364, dated 12th July 1881, Judicial Department. The increased expenditure, estimated by the Special Commissioner at Rs. 17,100, has been provided for.

(2) *Jail Guard*.—The estimate for 1882-83 is framed upon a reduced estimated number of convicts to be guarded in jails as calculated by the Inspector-General of Jails.

- (3 to 5) The items *Treasury, Distillery, and Contagious Diseases Act* guards are reduced to the extent of Rs. 1,602 owing to changes in the arrangement of the guards.
- (6) *Village Police*.—The establishment of Dundasis has been abolished in the Vizagapatam, Jeypore, and Godáviri Districts under orders of the Special Commissioner, *vide* G.O., No. 1364, dated 12th July 1881, Judicial Department.
- (7) *Supervision*.—Slightly increased provision is made for contingencies of the Deputy Inspectors-General of Police, Northern and Southern Ranges.
- (8) *Madras City*.—The increase is due to the transfer to the head "Pay" bills of the charge for menials hitherto entered in the "Contingent" bills (a corresponding decrease has been made under the head "Contingencies"), and to the debit to Police of the charge of the General Stamp Office Guard, under G.O., No. 1768, of 11th September 1880, Financial Department, as well as to the establishment under the Hackney Carriage Act being made permanent (G.O., No. 1400, dated 18th July 1881, Judicial Department). Increase has been provided for under the head of Clothing, &c., to meet actual requirements.
- (9) *Superintendents and Assistants*.—One Assistant Superintendent has been sanctioned for Jeypore District by the Special Commissioner for the Northern Districts, *vide* G.O., No. 1364, dated 12th July 1881, Judicial Department.
- (10) *Subsidiary Jail Guard*.—New sub-jails were opened at Kávali and Náydupet in Nellore District, *vide* G.O., No. 2804, dated 3rd December 1880, and No. 1550, dated 3rd August 1881, Judicial Department. Also the sub-jail at Masulipatam has been strengthened.
- (11) *Medical Charges*.—The estimate has been adopted as furnished by the Surgeon-General with the Government of Madras, to which provision for Hospital, Bedding, &c., has been added.
- (12) *Miscellaneous*.—Provision has been made in the item of Travelling Allowance for the additional Assistant Superintendent as sanctioned by the Special Commissioner, Northern Districts. Also a slight increase is made to meet the actual requirements under heads "Rent," "Official Postage," "Contingencies," and "Petty Construction and Repairs," which are now included in the Provincial Police budget.
- N.B.*—Exclusive of Rampa charges the actuals for 1880-81 were below the budget (G.O., No. 2074, dated 29th October 1879), by upwards of a lakh of rupees (Rs. 1,26,552). Even including the extra Rampa charges (not estimated in the budget) the grant of Rs. 37,50,000 (G.O., No. 2063, dated 3rd November 1880) was exceeded by Rs. 43,155 only.

ORDER THEREON, 20th October 1881, No. 2032.

The receipts for 1882-83, excluding contributions from Municipalities, are estimated at Rs. 88,445, or Rs. 5,915 higher than for the current year. The estimate is based on the average of past years, and will be allowed to stand. Rs. 81,587 is fixed as the contribution from the Madras Municipality, and Rs. 1,44,860 as contributions from Mofussil Municipalities.

2. The estimate of charges for 1882-83 is Rs. 38,415 less than that for the current year, but exceeds the grant by Rs. 88,140. The variations are explained by the Inspector-General. Having regard, however, to the requirements of other departments, as also to the fact that the average of the actuals of the past three years, excluding exceptional Rampa charges, did not exceed Rs. 36,80,152, and that the present condition of the country is prosperous and the incentives to crime thereby fewer, the Government consider that the grant for the current year, Rs. 37,50,000, may be safely repeated. The Inspector-General will exercise rigid economy wherever possible, with the view of keeping the outlay within this grant. The "Petty Construction and Repairs" grant will also be repeated, the provision (Rs. 2,000) under "Presidency Police, Miscellaneous," being allowed to stand, and that under "Mofussil Police, Miscellaneous," reduced to Rs. 35,000.

3. The estimates are passed as follow :—
