GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

31st October 1881, No. 2101.

Stationery.

Read the following paper:—

From J. G. FERRAND, Esq., Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 25th October 1881, No. 756 [Current No. 2961].

Adverting to G.O., 3rd ultimo, No. 1632, paragraph 8, suggesting that paper mills would probably be a successful enterprise in this Presidency, I beg to state that

The present Contractors for the supply of French Foolscap. Messrs. Shaw and Winch of Madras have applied to me for samples of the papers supplied to public offices and for informa-

tion to enable them to judge of the practicability of starting a paper mill. I propose, in complying with their application, not to charge for the samples, in anticipation of sanction. As there may be similar applications from other parties, I beg to inquire whether Government approve of samples being supplied gratuitously in such cases where there is reason to believe that the applications are *bona fide*. The total cost of a sample of each sheet supplied to Messrs. Shaw and Winch will be under Rs. 2.

ORDER THEREON, 31st October 1881, No. 2101.

The Government have no objection to the gratuitous supply of samples to *bona fide* applicants.
